Annual Flower Show at Lake Forest June 14-15

The annual flower show, staged by the Lake Forest Garden club and the North Shore Horticultural society, will be held June 14 and 15 at the Edith Rockefeller McCormick estate which will be opened to the public for the occasion.

The general public is invited to submit entries at the show although it is expected that the bulk of the exhibits will come from the gardens of exclusive north shore homes.

The other members of the committee are Mesdames Earle Reynolds, John Andrews King, Donald B. Douglas, Lester Armour, Philip Armour, Farwell Winston, Wm. McCormick Blair, Edward Welles, John Coleman, Logan McMenemy, Roy Sturtevant, William H. Mitchell, Rockeller McCormick and Albert B. Dick, Jr.

Entry blanks may be obtained from Mrs. Robert A. Gardner, 1051 Meadow lane, Lake Forest, Illinois, and the entries must be in her hands before 6 p. m. on Tuesday, June 10.

Wilmot Graduation Exercises Thursday

Commencement exercises were held at the Wilmot school on last Thursday evening and included among the graduates were Ada Vinyard, William Hastings, Fisk Lockridge, Alice Thompson, Julianna Willman, Raymond Carter, Eleanor McDermott and Earl Stevens.

County Superintendent T. Arthur Simpson gave a very interesting talk and diplomas were presented to members of the class by the president of the school board, Mr. E. L. Vinyard.

Following the exercises the members of the P. T. A. were hostesses at an informal reception, ice cream and cake were served.

In the afternoon at Woodland Park the pupils of the school with their teachers enjoyed their annual picnic.

The canteloupe season soon will be here for the convenience of those who don't care to gamble on horses.—Ohio State Journal.

H. P. Vote Noted in Prohibition Poll of the Literary Digest

Literary Digest prohibition poll figures released Saturday show Waukegan people who took part in the voting to be 80 per cent in favor of the repeal of the 18th Amendment covering prohibition while 50 per cent are for modification of the present dry bill. Only 220 out of 1,128 local residents voted for the absolute enforcement of the present liquor laws, it was revealed.

Waukegan, in the magazine's straw ballot, voted 220 for enforcement, 349 for modification, and 569 for repeal.

North Chicago Also Wet

North Chicago showed itself to be another city decidedly in favor of liquor in some form or other. It voted 26 for enforcement, 120 for modification and 169 for repeal. Highland Park demonstrated moist tendencies, with a vote of 84 for enforcement, 113 for modification, and 161 for repeal.

In the list of four Lake county cities of 5,000 or over, Zion was the only one to show a preference for the present dry laws. It voted 148 enforcement, 20 for modification, and 20 for repeal.

Barge Goes Adrift in Lake Near H. P., Lands at Lake Forest Friday

Tossed about in Lake Michigan by high waves while towing a scow back to Highland Park from a position about three miles north of that city, Captain Frank Nantz in "The Brat" was forced to cast adrift the scow in order to successfully make shore Thursday of last week, says the Waukegan Times.

He finally managed to reach Great Lakes after a battle with head winds. With him was Arthur Tilley, also of Waukegan.

The pair had been at Highland Park where they picked up a scow on which was derrick and other materials. They unloaded three miles north and were about to return with the scow when they found it was impossible to make headway.

The barge, carried by the wind, drifted ashore at Lake Forest grounding itself opposite the estate of Mrs. Edith Rockefeller McCormick. It was to be returned to its owners Friday.

The Waukegan men were none the worse for their experience although broken down bilge pumps added some what to their plight. As soon as the storm let down, Nantz was able to bring "The Brat" back to Waukegan.

The Evanston coast guard were notified that "The Brat" was in trouble Thursday evening and went to their aid. By the time they arrived on the scene, however, the boat had reached port. The guards returned shortly after 3 o'clock to their station.

What mystifies the country in Ruth McCormick's case is how it comes that anybody would be willing to spend a quarter of a million dollars to get into the United States Senate, of all places. Ham Lewis, with a bid of \$35, shows a better sense of values.
