ROSEHILL MAUSOLEUM

No Finer Memorial the World Over!

Perhaps you've visited the great memorials of Europe, such as Westminster Abbey—certainly their ageless beauty is familiar to you. But have you overlooked Chicago's own famous mausoleum? Rosehill offers you for your family memorial a structure of a beauty comparable to that of old-world sanctuaries, and of even greater security. Kings of past ages had not the same assurance that their private memorials would last unchanged through time that an irrevocable State Charter and two mighty trust funds guarantee for your memorial.

Inspect Rosehill Mausoleum some day this week—a warm, quiet, softly lighted sanctuary of finest marble and bronze, dedicated to the living in memory of dear ones. Time cannot mar its beauty—perpetual care, replacement, and protection are assured. The cost of arrangements exactly suited to your needs is agreeably moderate. Write for, or receive in person, the free booklet, "Rosehill the Beautiful." This in no way obligates you.

For those who prefer ground burial we have a very large selection of family lots for two graves or more at most reasonable prices, all under Perpetual Care.
