Annual Flower Show at Lake Forest June 14-15

A rapidly growing entry list makes it seem probable that the Spring Flower show of the Lake Forest Garden club and the North Shore Horticultural society, scheduled for this week-end, will surpass its predecessors, and that will be saying something, for the North Shore society women have put on some splendid shows which have attracted as many as 5,000 people.

The show is to take place in the Lake Forest estate of Mrs. Edith Rockefeller McCormick, Saturday afternoon, June 14th and Sunday, the 15th. Visitors will be admitted to the estate between noon and 8 p. m. on Saturday and between 10 a. m. and 8:00 p. m. on Sunday. The roads leading to the McCormick estate, which is located in the southeast corner of the city, will be marked for the occasion, so that people motoring to the show will find it easy to access.

Highwood Is Enacting New Zoning Ordinance

Restrictions on location of commercial buildings and the methods of construction of all types of buildings are provided in three ordinances approved by the Highwood city council recently.

The ordinances provide for a zoning law, building code and rules governing the installation of plumbing.

Under the ordinance commercial establishments will be confined to two streets, Waukegan avenue and Railroad avenue. It also provides that dwellings must be erected on property having an area of 7,200 square feet. Provisions are also made for duplex or multiple type of dwellings.

Some opposition was encountered to the passage of the building and zoning laws but this was finally ironed out.

An ordinance for increasing the pressure of the city water system, and for sewer and garbage disposal have also been approved by the council.

A survey is also being made preparatory to the installation of an ornamental street lighting system, it is reported.
