### New Kathleen Norris Serial in the Chicago Daily Times June 13

Kathleen Norris, one of the best known writers of popular fiction, has announced the publication of her latest novel, "Scarlet Silence." It will appear in serial form in the Chicago Daily Illustrated Times beginning Friday, June 13.

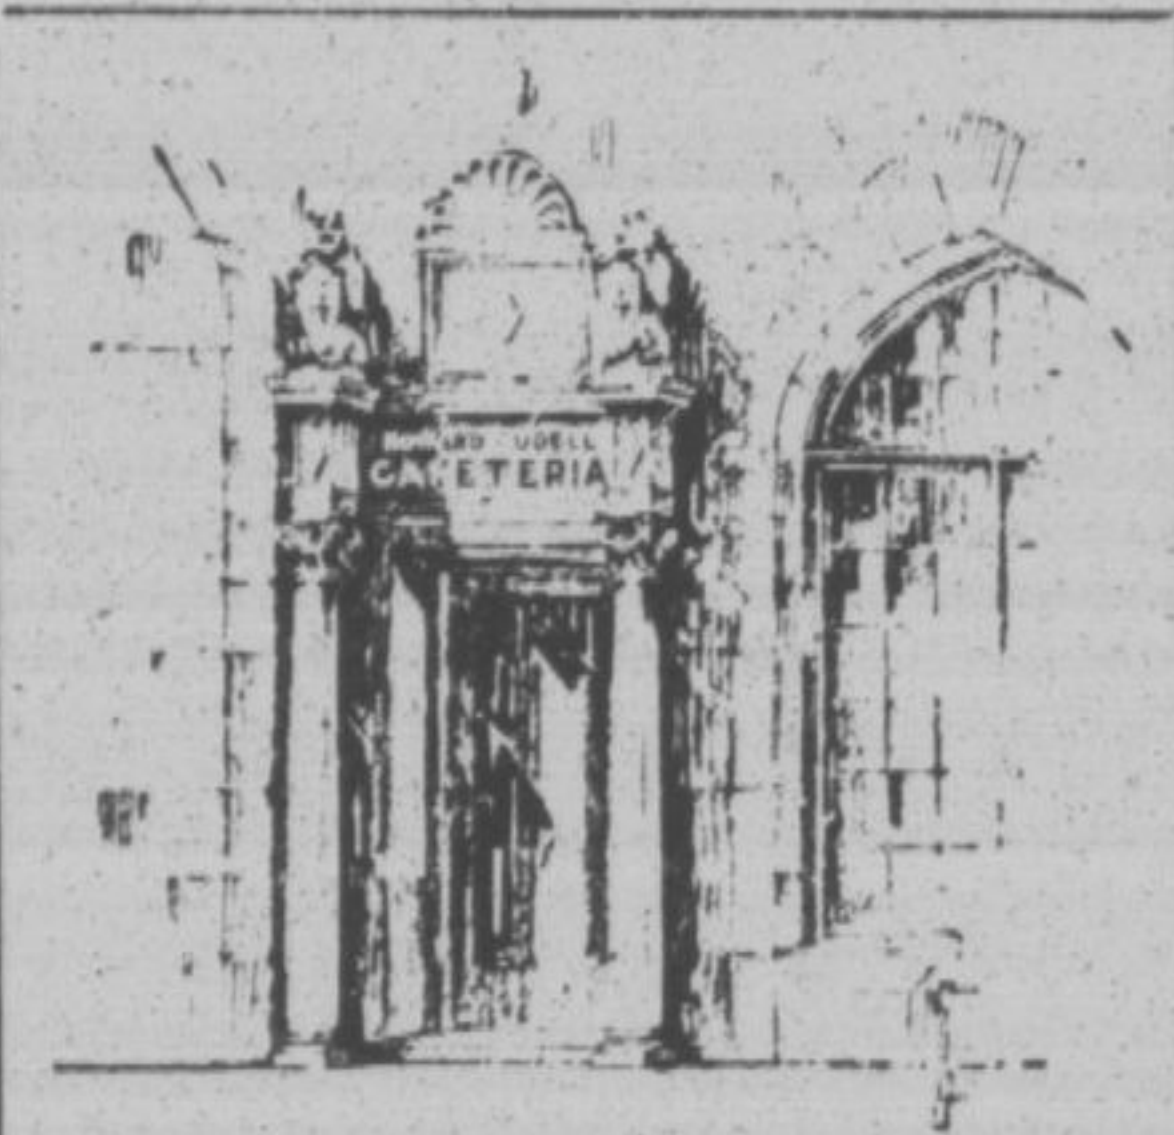

"Scarlet Silence" is the answer to the paramount question in many feminine minds: "Shall I tell my husband everything?" Miss Norris handles this theme in the unique and poignant style for which she is famous. "Scarlet Silence" is the story of Doris Garrison, a New York actress, who marries Jerd Penfield, without telling him all the facts about her love affair with Bruce Mackowan. She is black-mailed and threatened with the exposure of her indiscretions. She loves her husband so much that she fears to tell him of her past life and uses every means to prevent his finding out elsewhere.

How she finally works out this baffling problem and gains ultimate happiness provides heart-touching material for the exercise of Miss Norris' brilliant and searching technique.
