

"Roll of Honor"

Our campaign for subscriptions to underwrite the School Fund has passed the half-way mark. Elm Place and Green Bay Road are a little over half the way toward becoming the finest equipped schools in the country, if not in the world.

The names on this grand roll of honor are those of public spirited citizens and parents of this community who realize their obligation to give not only to their own children, but all children, the

finest possible education in order that they may be fully trained to meet the highly competitive business and social life of the future.

Your name inscribed below shows that you have civic interest—and interest in the children of the other fellow who may not be so fortunate. If you are not on this honor roll, get in touch with the committee in time for next week's list.

Signed: Citizens' Committee on
Grade School Education
in Elm Place-Green Bay
District.
