

Towing Service \$1.00 Per Year

No need to join motor clubs for towing service as we are now prepared to endorse your automobile policy to cover any towing charge provided it does not exceed \$10.00 for a premium of \$1.00 per year.

This service extends throughout the entire country and in case of a mechanical breakdown on the road, you may call any garage for towing service, pay them their charges, mail the receipt to us and we will mail you our check to reimburse you.

The only exception to this, is that the towing service will not cover towing from your own premises.

With certain motor clubs, you must call their appointed garages or service stations. But under our towing service, you may call the nearest garage, thereby saving yourself delay on the road and regardless of the number of times you need to be towed, \$1.00 a year is all you pay.
