Troop 37 Scout News

Troop 37 of Highwood held its regular meeting on Thursday, June 12. Roll call was taken and Mr. Walecka, our scoutmaster, read a letter to us from the Isaac Walton league. He then passed some seeds and directions how to plant fir trees. After that he told us to save up silver paper and make balls out of it which will be used to help a hospital where people of any religion may go. We had some drills and then the meeting was adjourned with the scout benediction.—Beryl Shapiro, reporter Troop 37, Oak Terrace school, Highwood.

With all the new golf courses and airplane landing fields that are coming into existence the land surplus ought to be taken up in due course of time.
