

VACATION TIME

All Aboard!

Why Pay More for Dry Cleaning?

when you can have Ermine Cleaners' guaranteed service for less. This is not a dry cleaning price war as far as the Ermine Cleaners are concerned. Modern economic conditions demand lower prices. Increased facilities in our modern plant have enabled us to reduce the price and maintain the quality of work and service as heretofore.

Garments entrusted to our care are handled by an organization of fifty contented, thoroughly trained employees in the art of dry cleaning.

People who appreciate exquisite dry cleaning will find such work, when entrusted to us, to be everything they could possibly desire. Simply call HIGHLAND PARK 3710 and our courteous service man will call.
