

# School Fund Campaign closes July 3rd

**Help a Child to**

**Help Himself**

## Grand Honor Roll printed July 10th

*\$12,000 subscribed to date*

# \$3,000 STILL TO GO!

- ☐ Is your name on this Honor Roll? If so, is your neighbor's? Have you urged him to come in with you? Our schools are a matter of grave importance to the entire community.
- ☐ If your name is not on this Honor Roll, don't you think you'd better do something about it? You may argue with yourself, but you'll find it most difficult to satisfy your conscience unless you do what you can to support this great cause.
- ☐ Can you explain to your child why you have not contributed? 300 loyal citizens will not have to explain this to their children. They have helped their children, and the children of others, to help themselves.
- ☐ \$3,000.00 is still needed to put the School Fund Campaign over the top. July 3rd is the last day to contribute. The Grand Honor Roll which will become an important part of the historic annals of Highland Park will be printed on July 10th.
