

**Jas. H. Oliphant Company
Opens Branch Brokerage
Office in Lake Forest**

Opening in Lake Forest next Monday of a branch of the Jas. H. Oliphant Co., brokerage firm, of New York and Chicago, marks the first brokerage office to be established on the North Shore, north of Evanston. The new office will be in the Deerpath Inn and will be in charge of Mr. John H. Hamline of Lake Forest, as resident manager.

The office will contain all of the equipment and provide all the service of a general brokerage office, with a private wire to Chicago listed quotations from the New York Stock exchange, the New York Curb market, and the Chicago Stock exchange. The usual ticker tape service will be provided, and the trans-lux system of motion pictures of ticker tape, as well as ticker news flashes will be carried daily.

The Lake Forest office will be devoted exclusively to the sale of stocks and bonds. The Jas. H. Oliphant Co. is a New York firm long established of splendid reputation in exchange circles, and its Chicago branch is equally well known. It is believed that the opening of a branch office in Lake Forest will prove of great convenience to North Shore investors interested in stocks and bonds.

**Folk Dancing Taught
at Sunset Park Soon**

Friday morning, at 10 o'clock, on the dance floor at Sunset Park, there will be a meeting of all those interested in studying folk-dancing. Mrs. Irma Otter Graham will be in charge. There will be no charge for these classes, and they will be a regular part of the playground work. They will be held on Tuesdays and Fridays at 10 for the junior division and 11 for the intermediates.

Eleven Denver women, most of them married, went into a retreat in the country to get away from the daily grind. If tired of working, why didn't they take a tip from their husbands and spend the greater part of the day in conference?

**Sunset Valley Club
Women Have Tourney;
Card Party June 27**

The women at Sunset Valley club have formed a permanent organization for the mutual enjoyment of golf. They have established a place of importance for themselves in Highland Park golfing circles. It has always been wrongly supposed that men are the only good golfers. There are a number of women at Sunset Valley who could easily upset this theory, and, as a matter of fact, have already done so.

Last Tuesday the organization had a blind bogey tournament. As we go to press the winner has not yet been determined, but this will be announced next week. Also the day was Guest Day. Bridge parties were formed in the afternoon, and those that wished to, continued to play golf.

On July 1 the qualifying rounds for the big event of the season, the Handicap tournament, will be played off. On July 8 the first round matches will begin, and these will continue for three days. The finals will be on the 29th.

On Friday, June 27th, the Tee club will hold a card party at 2 p. m. Reservations may be obtained from Mrs. Laing, at Highland Park 1765. A large crowd is expected.

Last year the membership of women at Sunset Valley was about 180, including class A, B, and X memberships. This year the number is over 200.
