

Visit Orphan's Home at Normal, Sunday

Mr. and Mrs. C. C. Kapschull and two sons, Glenn and Charles, Mrs. William Tennerman and Mrs. Frank Jacobs Sr., were among the Legionnaires and auxiliary members and their families of the state who made the first annual pilgrimage to Normal, Ill., the home of the orphans of U. S. veterans, on Sunday.

They located the three girls adopted by the Deerfield unit and presented them with gifts.

C. C. Kapschull, who is eighth district commander, presented the check sent by the district toward the fund to purchase uniforms for the boys' band, also the five hundred balloons and toy novelties.

The affair was quite a success and was attended by representatives from all parts of the state.

Deerfield Junior Team Defeats Lake Forest in Legion Ball Game

One of the most important games of Lake County's American Legion Junior Baseball league was played Tuesday evening at Deerfield between Deerfield and Lake Forest. At the opening of the game, these two teams were tied for first place. But Deerfield surged into the lead by winning 4-3.

At the beginning of the game, things looked a bit dubious for Deerfield for their pitcher, Jacky Allen, was A.W.O.L. At the end of half an hour's wait, it was decided to proceed without him. Accordingly, Deerfield's stellar fielder, "Dubby" Peterson, who had never pitched a game, was transformed into a pitcher. And he "did himself proud." For two innings he held Lake Forest's hard hitting aggregation to a 0-0 score. In the third inning, however, they scored three runs, and the inning ended 3-0 in Lake Forest's favor.

At this point, the absent Jacky Allen arrived on the scene.

Conditions remained the same until the fifth inning when Deerfield scored a rally to the tune of three runs, tying the score.

And so it remained until the last inning. Lake Forest, coming to bat first, succeeded in getting three men on bases with no outs. When number four man came to bat the fans were tense. Jacky Allen, however, decided that things had gone far enough. And with as fine an exhibition of baseball and cool nerve as you'll ever see he struck out the next three men. Deerfield then staged another rally and brought in the winning run.

This game was notable for the fine playing of both teams, and for the sportsmanship displayed on both sides. Drakeman of Lake Forest pitched a fine game, and received splendid support, and the same can be said for Deerfield's boys. They were two game outfits.

New York publishers have slashed the price of the modern two dollar novel fifty per cent. But a great many of them will still be selling for fifty per cent more than they are worth.

Highland Park Methodist Church

Our Community Daily Vacation Bible school has thus far been a success with an enrollment of about 65 scholars, which is very fair as only those between 4 and 14 years of age are enrolled. Another year, a longer term will be offered and perhaps the age limit will be raised, although the church building will hardly admit of more than that number with the activities of the school located all over the building. Rev. W. W. Nelson of the Highwood church is acting as principal and certainly is well adapted to the position; the teachers are all doing splendid work and thoroughly enjoy their work except on a few very hot mornings. The closing exercises of the school will be held Friday at the Highwood church.

Next Sunday the pastor will resume a series of discourses on the Parables of Jesus, which was started some months ago. These will prove most interesting, as the parables are in themselves picturesque and contain in a most attractive manner the principal teachings of Jesus. In treating them the pastor will seek to interpret them in their application to Christian thinking and living of today. It will be a series of talks that ought to be heard by every Bible student and every thinking Christian; there will be no dull moments and the entire service will be as brief as possible and never over an hour. It is expected to have some special musical numbers at each service.

A group of our young people met a similar group from Oak Park headed by Mr. and Mrs. E. S. Jefferson, at Dam No. 2 on the Des Plaines river last Friday night and had a most enjoyable time. The only unpleasant feature was that so many attended that the food gave out so that a few late comers went hungry, and the writer did not get even a taste of the cake.

Our Sunday school keeps up its attendance very well during the summer period and no suggestion is ever heard of suspending during the warm weather for the scholars, both old and young, find it stimulating and well worth attending. Plans for the annual picnic are being considered and will be announced possibly next week.

Here is a little quatrain by Edwin Markham, which is one of the finest bits ever written:

"Here is the truth in a little creed,
Enough for all the roads we go;
In Love is all the law we need,
In Christ is all the God we know."

St. Paul's Evangelical Church Deerfield

F. G. Piepenbrok, pastor.

Church school—9:15 a. m.

Worship-service—10:30 a. m.

The pastor herewith expresses a word of sincere appreciation to the children of the Daily Vacation Bible school, to Miss Bertha Caspers and Mrs. Donald Wageck for their delightful contributions to the worship service of last Sunday.

It is refreshing, both physical and spiritual, to worship at the St. Paul's Evangelical church during the summer season.

ANNUAL BUDGET FOR CITY BEFORE COUNCIL

(Continued from page 2)

permit to tag in Highland Park in 1929 and with the understanding that there would be no soliciting in business houses.

The communication from the Highland Park Chamber of Commerce objecting to the use of the parkway by the Highland Park Radiator and Fender Repair shop at 513 Elm place was referred to the chief of police. It was reported that the condition referred to had been remedied.

The petition from property owners on McDaniels avenue objecting to the present use of the Highland Park Ice company's property was referred to Commissioner Zimmer.

Oil Burner Ordinance

The ordinance filed some time ago amending the ordinance regarding oil burner tanks was passed.

Several contractors estimates were presented, approved and ordered paid.

A resolution was adopted requesting the state highway department for a blanket permit for the city to make water and sewer taps on Prairie avenue.

Tuition Allowances Are Cut by Non-High School Board; Deerfield Is Hit

Drastic slashes were made in the demands of Lake county high schools on tuitions for pupils from outside the respective districts during the past year by the non-high school board Monday night and when the work was completed between \$90,000 and \$100,000 in bills were allowed, according to the Waukegan Times.

Deerfield-Shields, in Highland Park, had an attorney there who protested to cuts made against this school.

The biggest amount shaved from the Deerfield-Shields bill was an item of \$30,000 entered as depreciation to buildings and equipment. This was not allowed at all. This school had asked \$255 per capita and was allowed \$224.38, the Times says.

The rate per capita, in what was asked and what was allowed, was as follows:

| School | Asked | Allowed |
|-------------------|----------|----------|
| Deerfield-Shields | \$255.00 | \$224.38 |
| Libertyville | 178.93 | 178.54 |
| Warren | 242.85 | 204.42 |
| Lake Zurich | 205.41 | 205.41 |
| Antioch | 189.00 | 178.60 |
| Waukegan | 200.00 | 175.47 |

Close to 468 pupils come under the tuition classification. Of this number approximately 200 go to Waukegan and 93 to Deerfield-Shields.

Members of the non-high school board are Judge Theo. Forby, of Zion, James G. Welch, of Wadsworth, and John C. Baker, of Lake Bluff.

The free traders have overlooked one argument: they ought to tell us that a tariff on hides would take the home away from the Old Woman Who Lived in a Shoe.

There are 4,700,000 workers dependent upon motor transportation for their livelihood, according to the Chicago Motor club.

Deerpath Theatre's Attractive Program For the Coming Week

Deerpath theatre, Lake Forest, presents during the coming week another exceptionally attractive program of talking features, sound comedies, news and cartoons. Among the outstanding pictures are "Men Without Women" on Saturday of this week; "High Society Blues," with Janet Gaynor and Charles Farrell, on Sunday and Monday, and Richard Barthelmess in "Son of the Gods," on Tuesday and Wednesday. The program follows:

Friday, June 27—George Sidney and Charles Murray in "Around the Corner," a mirthquake of laughs.

Saturday, June 28—"Men Without Women," a gripping story of the experiences and reactions of 15 men trapped in a sunken submarine in the China sea, accurately filmed with all accessories of sounds and surroundings. The first all-talkie without a woman in the cast.

Sunday and Monday, June 29, 30—"High Society Blues," a musical movietone romance, with Janet Gaynor and Charles Farrell.

Tuesday and Wednesday, July 1 and 2—Richard Barthelmess, in "Son of the Gods," from the story by Rex Beach.

Thursday and Friday, July 3, 4—Zane Grey's famous story, "Light of the Western Stars," with Richard Arlen, Mary Bryan, Harry Green, Regis Toomey, and Fred Kohler.

Museum Expedition Is Now Crossing Desert

The Verny-Lang Kalahari expedition of Field Museum of Natural History is just about to begin crossing the perilous Kalahari desert in Africa, according to a cablegram just received at the museum from Arthur S. Vernay, leader of the expedition.

The cablegram indicated that the expedition was at the Chobe river, preparing for the desert trek, after which it will return to Pretoria, and thence will go into Angola or Portuguese West Africa where the beautiful sable antelope and other animals are to be sought.

Large and important collections of mammals, birds, reptiles and insects have already been collected as a result of work conducted in Bechuanaland, and the success of the expedition seems assured, it is reported.

Priests in Retreat at St. Mary's of the Lake

Seminarians having completed their studies for the year and departed on their vacations, the beautiful buildings and grounds of St. Mary of the Lake Seminary at Mundelein will be given over to summer retreats for priests of Chicago and surrounding territory beginning next week. The first group of priests journeyed to the seminary from Chicago over the North Shore Line, Sunday, June 22, and remain in retreat until Thursday. Other groups will follow in succeeding weeks throughout the summer.
