

F. L. CHENEY DIES; FORMER COUNCILMAN

(Continued from page 1)

ish-American war and saw service in action at Santiago, Cuba. He was past commander of the Naval and Military Order of Spanish-American war and member of the Society of the Army at Santiago. He served in the First (now the 131st) Illinois infantry for 11 years before the World war and during the war was a leader in all patriotic and civic movements here. He was a lawyer by profession and a very successful one.

Services Appreciated

In Highland Park Mr. Cheney's many fine qualities and remarkable ability were fully appreciated by those who knew him best. He was unassuming and lacked any approach to ostentation and it is probable that by citizens in general his splendid talents and valuable services to his community were not fully realized, because many of the finest things credited to him were accomplished in the spirit described by the biblical injunction, "Let not thy left hand know what thy right hand doeth."

As a city commissioner for eight years and in other positions of trust and honor in Highland Park Mr. Cheney fulfilled his duties faithfully and efficiently, and his brilliant career in the public life of the city alone entitles him to a high place in Highland Park annals.

Widow Survives

He is survived by his widow, who was formerly Miss Rose Fleet, who he married five years ago. There are no children.

The news of the death of Mr. Cheney spread rapidly throughout the city yesterday and was received with many expressions of sincere sorrow and appreciation of his fine service to the city and to the several organizations of which from time to time he was an honored leader. The widow has the profound sympathy of the entire community in her great loss.

Arrangements for the funeral have not been completed.

Council Adopts Resolutions

The city council met in special session this morning and adopted the following resolutions in connection with the demise of the former commissioner:

Whereas, It has pleased Divine Providence in its omniscient mercy to remove from among the living of this community one of its most honored citizens, former City Commissioner Frank L. Cheney, therefore, be it

Resolved: That the City Council of the City of Highland Park, in special session assembled for this purpose, and cognizant of the long and faithful services of the decedent as an officer of the municipal government and of his deep interest in the welfare of this community which has continued through many years, do herewith formally express the appreciation of this body for his years of self-sacrificing and devoted service in the interests of this city and its people, and, further, be it

Resolved: That this body, for itself and in behalf of the citizens of Highland Park, extend to his widow the profound sympathy and condolences

of the entire community, and be it further

Resolved: That a copy of these resolutions be spread upon the minutes of this meeting and that a copy thereof be sent to Mrs. Frank L. Cheney. (Signed) Benjamin F. Lewis, mayor; William J. Brown, Lyle Gourley, William Reay, Julius Zimmer.

The funeral will be held Saturday at 2:30 o'clock in the residence, 1006 North Sheridan road. Rev. Frank Fitt will officiate. Interment will be in North Shore cemetery.

St. James Will Meet Waukegan Sunday

St. James baseball team will meet Waukegan at Highwood field next Sunday, June 29. Waukegan has had an impressive record to date having led the league thus far. With the return of two injured pitchers and several good practice sessions this week the home boys are confident of beating the leaders.

Several out of town teams have been offering dates for games. Among the strongest teams have been Burlington, Wis., and Joliet, Ill. It is

unlikely that St. James will be able to schedule these teams since the regular Tri-County League schedule fills practically all of the Sundays.

Florida insects are to be used in a war on New Jersey mosquitoes. Seems to us that Florida insects would be more enthusiastic fighters again California insects.

There were 2,800,000 of the motor vehicles manufactured in 1929 purchased to replace those going out of service, according to the Chicago Motor club.

CREATE A JOB

*Now is the time to Remodel, Paper, Paint
and Clean Up*

**You can get your choice of the BEST workmen NOW!
Later you can't expect to get the service that is now at
your command.**

Repair - Remodel - Redecorate Create a Job for Highland Park Workmen

YOU GAIN THESE ADVANTAGES

- Better Workmanship
- Lower Costs
- More Personal Attention
- No Bothersome Delays
- A More Livable Home

YOU CAN GET THE BEST NOW!

GOOD workmen are now waiting to serve you:

- | | |
|-------------------------|---------------|
| ELECTRICIANS | PLUMBERS |
| CARPENTERS | PLASTERERS |

- Eaves Troughs Repaired
- Lawn Mowed
- Floors Resurfaced

and hundreds of other odd jobs that someone has time to do now.

**Put These Men to Work NOW!
HIGHLAND PARK CHAMBER OF COMMERCE**

Weather conditions do not interfere with doing inside work. This is the best time to re-decorate your rooms, install new or repair plumbing and electrical work, finish off new rooms, repair or remodel inside wood work, upholster old furniture, have new screen windows and doors made, or old ones repaired and painted, and any other inside work done.

This APPEAL is sponsored by the Highland Park Chamber of Commerce, as a practical method to keep our home fires burning. It is a sound, sensible plan that will benefit both the property owners and the workmen, and is worthy of your co-operation. If we all put this plan into operation, it will give employment to these men the year around and will relieve the spring and summer rush and the long winter idleness.
