Troop 36, Highwood

We had our regular meeting out in Sweeney's Woods after the meeting. We cut down a dead tree for our log cabin and beat it back to camp. We fastened out tents together and slept comfortably all night. All coming along fine and especially our big fat boy, Richard. — Scribe Ed Brown Jr.

Changes in Postal Rules For Parcels to Foreign Lands

Important changes in postal rules pertaining to the mailing of small parcels to certain foreign lands have been outlined in bulletins received by postmasters from the post office department.

The ruling it is believed will prove of much advantage to many patrons of the local postoffice.

By an agreement of certain countries operating under the postal union after July 1, small parcels will be accepted for mailing at a rate of 3 cents for two ounces but with a minimum charge of ten cents. Formerly the charge for such mailing were at a minimum of 14 cents. Parcels will be accepted up to 8 ounces under this ruling.

The ruling applies only to certain countries, these including Algeria, Argentina, Austria, Belgium, Brazil, Czechoslovakia, Denmark, France, Germany, Great Britain, Greece, Hungary, Luxemburg, Martinique, Mexico, Netherlands, Roumania, Sweden, Switzerland, Syria, and Turkey, and several others. Several countries have not entered the agreement, these included Canada, China, Egypt, Peru, Portugal, and several others; in these the old rate still maintains.

Illinois Assessors Start Organization in Waukegan Meeting

A preliminary organization meeting of the Illinois Assessors Association was held in the county building in Waukegan last week, with nine township assessors present. The association, when fully organized will have a membership of 3,000 township assessor who will combat the proposed legislation early in the fall to abolish the township assessors and create county boards with deputies.

R. J. Zish, of Milwaukee, organizing agent for the association, told the assessors the purpose of the organization. He stated that before the Illinois legislature goes into session in the fall he will have conferred with township assessors in every county in the state.

Township assessors of Lake county at the meeting were Charles O. Armes, Waukegan; Martin Ringdahl, Deerfield; O. W. Farley, Benton; Lloyd C. Ray, Libertyville; Ernest L. Simons, Antioch; D. C. White, Avon; George Kay, Grant; Carl D. Hughes, Lake Villa; and Edward H. Selig of West Deerfield.

Women occupy a wider sphere than formerly, but are doing their best to reduce it.—Grand Rapids Press.

Publishers recently announced a fifty per cent reduction in the price of fiction. Maybe this is because there has been such a tremendous flood of free trade fiction this year.

Annual Goodwill Tour of Illinois Chamber of Commerce Aug. 20-23

Two thousand miles of state airways will be covered by 50 airplanes in the second annual Illinois Chamber of Commerce good will air tour, to be held August 20-23, according to present plans of the organization. Major Reed M. Landis, chairman of the state aviation commission, appointed by Governor Louis L. Emmerson

early this year, who has been working in conjunction with the state chamber of commerce, declares the purpose of the tour is to stimulate the building of new airports and airport improvement and to arouse enthusiasm for the national air races which will take place in Chicago immediately after the tour.
