

NOW
have automatic hot
water service in your
home at
LESS COST!

No down payment required when you trade-in your old water heating equipment -- and a Liberal Allowance will be made for it -- these are the features of our July Self Action Gas Water Heater offer to you. We remove your present water heating apparatus -- whether it be a furnace coil, coal heater, oil heater, or any other type of heater -- and apply the allowance on a modern, automatic, trouble-free Self Action Gas Water Heater. Then our 12 month payment plan makes it easy for you to pay the balance.

With a Self Action Gas Water Heater in your home, gone forever will be inconvenience, waiting, bother of every kind in securing a plentiful supply of hot water. Think what a comfort it will be to turn a faucet and have as much hot water as you need without having to run down to the basement, light a fire, shovel fuel, or wait for the tea kettle to heat. Your Self Action Gas Water Heater will keep an abundant supply of hot water on hand for you *always*. Act NOW -- while installation of this modern service will cost you less! We invite you to come in and see our

display of heaters, or you may telephone and we'll be glad to send our representative, without obligation to you, to give you further details.

ELECTROLUX
 THE *Gas* REFRIGERATOR

When you exchange your old ice box, receiving a Liberal Allowance for it this month, and buy an Electrolux GAS Refrigerator, you'll be making an investment in a distinctly modern kind of refrigeration... which includes the freezing of endless ice cubes, salads, fruit drinks and frozen desserts besides keeping foods safely below 50 degrees. The Electrolux is the only really *silent* refrigerator; the simplest, most efficient and least expensive. Come in

and let us show you the many admirable features of Electrolux. We predict you'll be amazed at its performance.
