

GRAND ROLL OF HONOR

The members of the Citizens' Committee embrace this occasion to honor publicly those residents of Highland Park whose names are listed below. More than \$15,000 per year has been subscribed for each of the next three years (total of more than \$45,000) as a result of the generosity of these public-spirited men and women. This fund makes it possible for the School Board to maintain and in some instances even increase the superlative facilities for grade school work at Elm Place and Green Bay Road Schools.
