

Open Bids in Deerfield Rd. Extension July 25th

With two highway contracts to be let July 19 and July 25 and surveys going on at the present time, Superintendent of Highways R. M. Lobdell today faces one of the busiest periods of the year.

Four sets of plans for new roadway construction are now at Springfield for approval and as soon as each is passed on by the State Highway Commission, Mr. Lobdell said, bids will be received for them. Two of the plans sent down by Mr. Lobdell will have clear sailing when approved at Springfield as the right of way has been obtained by the Board of supervisors committees.

On July 19 the contract will be let for the construction of the maintenance garage at the county farm and on July 25 bids for the paving job on Deerfield road extension will be opened. The latter road work was under consideration with the bridge to be erected over the Des Plaines river, but all bids were rejected because of errors by some of the contractors.
