Things to Cook

By Nina T. Brewer

During the warm weather there is nothing more attractive than a delicious salad which is thoroughly chilled and served on a bed of crisp lettuce or other greens.

When fresh pears are in season I use them for the following salad, but canned pears may be substituted and are equally delicious. Instead of celery the same amount of chopped cabbage may be used, though I like the celery when I can get it.

Pear and Celery Salad

- 2 cups pears cut up (fresh or canned)
- 1 cup diced celery
- 1 cup grated raw carrot
- Cooked dressing with whipped cream
- Lettuce or endive
- Paprika

Mix pears, celery and carrot together lightly, mix dressing smoothly with whipped cream and add, using the proportion of cream and dressing to suit your individual taste.

Place on the lettuce or endive or pile in center of the green border, sprinkle with paprika. A few nut meats may be added or used as a garnish, if wished.

Cooked Dressing

- 2 teaspoons corn starch
- 2 teaspoons dry mustard
- 1/2 cup sugar
- 1/2 teaspoon salt
- 2 tablespoons water
- 1/2 cup vinegar
- 4 egg yolks
- 2 tablespoons butter

Mix dry ingredients with water, add hot vinegar and cook in double boiler until thickened. Add beaten yolks and cook two or three minutes, add butter and beat with egg beater.

This amount will make one cup of dressing and may be mixed with whipped cream to taste, not more than half of this dressing being necessary for this salad.

When using this dressing for a salad of all fruit, a larger proportion of whipped cream should be used than for a vegetable salad. Sour cream may be used instead of sweet cream for a vegetable salad, if preferred.

**Lake County Third in
State in Auto Sales**

New automobile sales in Illinois by counties for the first six months of the year were issued today by the Illinois chamber of commerce which reveals interesting comparisons as to the consumption of new cars in various parts of the state.

Cook county, with a total sales of 52,307 new cars for the half year is followed by Peoria county which leads all downstate counties with a total 2,571 sales.

Following in order are Lake, 2360; Kane, 2327; Madison, 2073; St. Clair, 2060; Rock Island, 2016; Winnebago, 1998; Sangamon, 1879; DuPage, 1735; and Will with 1693. Total new car sales for the first six months were 108,973 cars as compared to 114,193 for the corresponding period in 1929.
