Alleged Auto Thief From Evanston Taken by Police; Is Wounded

A youthful automobile thief and suspect in the holdup of an Evanston grocery store was captured by Highland Park police last Friday after a chase of two miles down Sheridan road.

When the youth was captured a bullet wound was found in his left thigh and he was taken to the Highland Park hospital. He identified himself as James Rogers, 25, Wawautosa, Wis.

The capture was made by Policeman Charles Rafferty, who recognized the roadster as having been stolen from Winnetka on Wednesday afternoon.

Coincident with the capture, an aiarm came from the Evanston police reporting the holdup of a store at 3000 Central ave. The description of the gunman and his auto tallied with that of the captive.

Although Rogers denied responsibility for the Evanston robbery, \$18, approximately the amount taken, was found in his pockets.

Since no shot was fired in the holdup, the bullet wound was inexplicable to the police. The captive protested that he had been accidentally shot by a man to whom he had given a ride.

Dr. Kellogg Speed, who removed a bullet from Rogers' thigh, declared that the shot had been fired from a distance and was almost spent when it reached its mark. The police reason from this that the captive had participated in a previous holdup during which he had been fired upon.
