

enough **HOT WATER**

for all the family
AUTOMATICALLY

No Down Payment

When you trade-in your old water heating equipment this month you'll receive a **LIBERAL ALLOWANCE** . . . the old apparatus being accepted as the down payment on your new gas water heater. This means that you need make no immediate cash payment to have automatic hot water service in your home. The balance of the cost of the heater you select may be paid for on our Easy Payment Plan. Come in **NOW** and let us show you a modern, automatic

Hot water . . . an abundant, daily supply . . . is necessary in your home, especially during sultry summer days when baths are taken more frequently. If your hot water system provides only a limited amount of hot water, or if it demands constant attention . . . think how much better it will be to have a water heater that requires no attention whatever . . . that supplies hot water in unlimited quantities . . . and that is completely *automatic*. A Self Action Gas Water Heater *will* give all the hot water needed for every purpose in your home without requiring attention of any kind . . .

Self Action Gas Water Heater

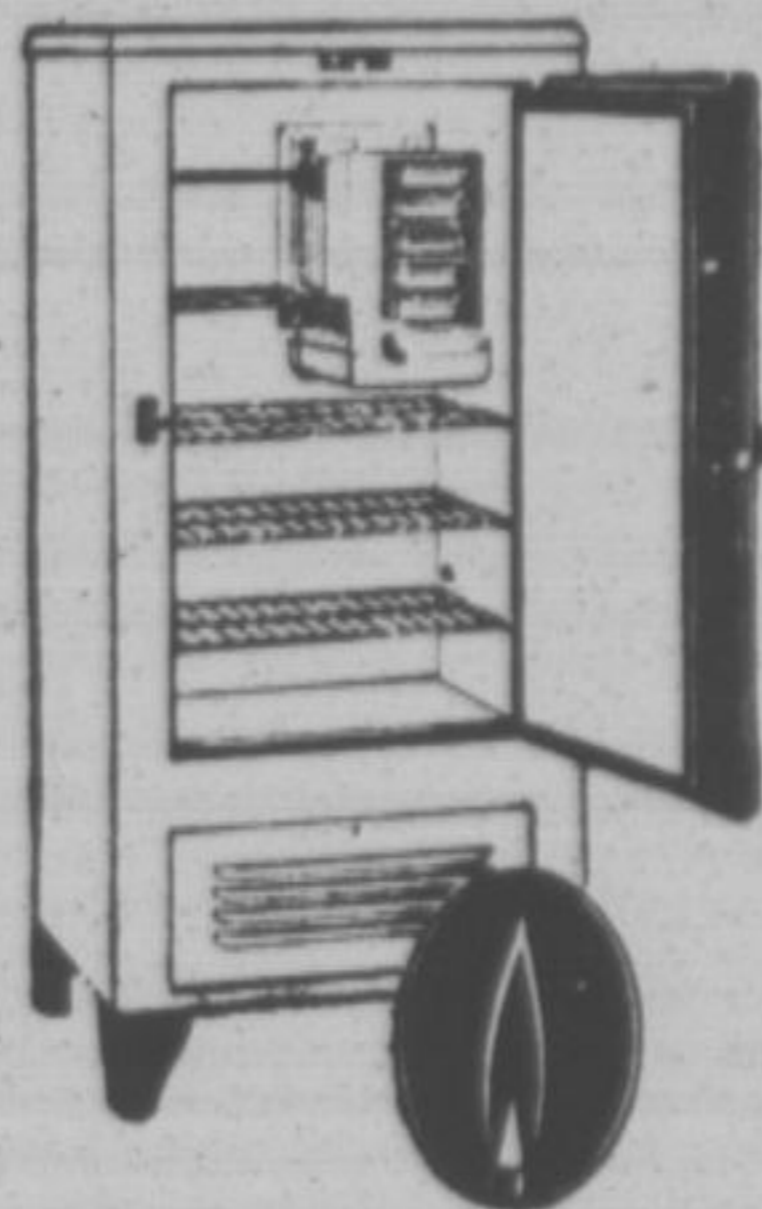

it *will* provide an abundant, limitless supply of hot water day or night, whenever you want it . . . and it *is* positively automatic. Before another day passes, have this splendid convenience in *your* home. Know the blissful joy and comfort of hot water automatically!

\$15

allowance will be made for a limited time on your present water heating equipment when you buy any **PITTSBURGH** Self Action Gas Water Heater. Take advantage of this big saving **NOW!**
