

THE HOUR GLASS

Time is slipping away.

What a dismal situation it must be when a man has passed the period of his earning power and has nothing left to protect him in his old age.

This cannot happen if you are wise and heed our many requests to come in and open a bank account and regularly add to it.

When are you going to start?

We offer you a safe place for your money and will welcome you when you come in.

SWIM-KAP

Here you are, right in the middle of the vacation period. Have you taken yours yet? Surely you're going to take one, if only for a few days. Before you go, drop into our store and select everything you'll need to make this vacation the most enjoyable one you have ever experienced.

Often an otherwise perfect beach appearance is spoiled by a dull, colorless, bathing hat. Perhaps it wasn't your fault. You were probably limited in your choice. Here, at your Rexall store, we have the most complete assortment in town. Come and examine our exclusive Swim-Kaps.
