Ravinia Water Carnival
 The Roger Williams avenue beach was the scene on Wednesday, July 16, of the first summer beach carnival held in Highland Park. The carnival had been first scheduled for the previous Saturday, but rough water had necessitated postponement. Wednesday found an ideal day for the affair, and those who attended it enjoyed it to the extreme.

At 7 o'clock, when there were about 100 people assembled on the beach, the activities were started with swimming races. In the first event, a race for boys of 10 years and under, Tommy Simpson came in first with a lead of five yards on his nearest competitor, Billy Copeland. Neil Armour placed third. The next event, a 25 yard swim for boys 11 and 12, was won by Bob Olson, with Bob Walker second and Happy Wampler third. In the girl's 25 yard swim Katherine Johnston edged out a victory over Betty Stein by a matter of inches. Kathleen Woodbury was third. In the final swimming event, the 50 yard open race for all ages, Bob Trotter took an easy win, with Bill Mayer second and Fritz Kaufmann third.

The next feature was the canoe race. Canoes had been loaned for the affair by Mr. Lyle Gourley and Mr. Albert Snite. The races were for the distance of 100 yards. In the first race Fritz Kaufmanns beat out Fred Silber, and Jimmy Mundstock was a close third. In the second heat Bob Sellery beat out Win Long by a few yards, and Dick Gault was third.

The entries in the fancy diving exhibition included Tommy Simpson, Happy Wampler, Bob Trotter, Bill White, Bill Mayer, and Katherine Johnston. Bob Trotter and Bill White took the honors with some beautiful living, and ended the performance with some trick double dives.

Canoe tilting proved the popular feature of the evening, and several hard fought battles ended in duckings both humorous and ridiculous. Howard Copp and Harvey Olson finished up the evening with a good battle. Copp finally upsetting the previously unconquered Olson. The winners of the canoe tilting were James Ewell and Fritz Koumanns.

The affair was truly a success, and more will be held if the patrons of the beaches desire them.

Winning Streak Is Broken by Deerfield

Santi's string of twenty-four consecutive victories was broken on Monday when they clashed with the hard hitting West Side Bungalows of Deerfield. The score was 7-6.

OUTDOOR DRAMATIC PERFORMANCE, PLAN

(Continued from page 4)

founded four years ago by Ivan Lazareff and since his death carried on by his wife, Maria Astrova Lazareff, is already well known to Ravinia and Highland Park audiences as can be seen by a brief survey of its history; its very beginning in this country being closely connected with Ravinia.

Ivan Lazareff for twenty years artist with the Moscow Art Theatre, and Maria Astrova Lazareff had always dreamed of spreading the methods, ideals and artistic understanding of that theatre to other groups throughout Russia—in fact throughout the world. To accomplish this, they always had groups of students with whom they worked. Mr. Lazareff dramatized many of the works of Maxim Gorky, and in 1917 began producing with a group chosen from the working classes. Gorky himself visited this studio theatre, and was deeply moved as he saw his characters coming to life on the stage before him, bringing to their interpretation the understanding of actual experience. After that, the studio bore his name, and was supported by the Russian government who sent this group all over Russia because of the wide educational appeal of its repertoire. The Russian conceives the theatre not only as a place of amusement but as a teacher of life.

Were in "The Miracle"

When Mr. Lazareff came to America with the Moscow Art theatre in 1923, he and his wife began to think of founding a theatre in this country. On their second visit in 1926 — this time to Chicago with "The Miracle," in which Mr. Lazareff played the parts of the mad emperor and the cripple—they, with a group of Russian students presented some sketches by Maxim Gorky, Chekhov and others in the Ravinia Village house. Although this performance was in Russian, the audience, gathered under the sponsorship of Lionel Robertson, received it with such enthusiasm that it encouraged the Lazareffs in their plan to found a theatre in Chicago.

This theatre has been growing for four years and has developed such artists and teachers as Agnes George—also of "The Miracle," who began studying with Mr. Lazareff before the school was founded—Betty Phillips, Eri Hulbert, Harold Hingston and Anne Richards all of whom assist in the teaching of the school.

First School Performance

The first school performance was given at the home of Lionel Robertson in Ravinia in 1926. The school has grown tremendously since then. The regular session is from the end of September to the end of June. There are also evening classes, children's classes on Saturday morning, and intensive courses in the summer for the training of teachers, which are attended by producers and college professors from all parts of the country.

A permanent company has also been developed, and has grown as fast as the school. This company has

given a number of performances in Highland Park and Ravinia.

"Portege" will be given at four o'clock, Sunday, August 3. The Highland Park League of Women Voters feels most privileged in the use of Mr. and Mrs. Beatty's garden which is known for its beauty, and is in itself well worth a special visit. Mr. and Mrs. Beatty's very generous hospitality will be extended to the house in case of rain. Tickets may be secured from members of the league, the Pease drug store, Moraine hotel, or at the garden on the afternoon of the performance.

All About Love

Really love a person and you are so caught up and away from self that in a sense you are that person. —Woman's Home Companion.

Something Perfect, Anyway

Fred Stone, the actor, after crashing in his plane, admitted that he was trying something new and couldn't get away with it. "But," he added, "the nose dive I went into was perfect."—The Country Home.

Next Farm Invention

Dairymen are now looking forward to building barns in which the atmosphere will always suit the cow; of keeping "working" cows in factories near the cities and of using farm lands for dry animals and calves.—The Country Home.

Humility isn't much of a virtue if you cultivate it because you are afraid to fight.

Junior Baseball Team Plays Glenview, Monday

The Deerfield American Legion Junior Baseball team will play Glenview at Jewett Park, Deerfield, Monday evening, July 28, at 6:30 o'clock. Deerfield won the county championship in the recent National American Legion League Tournament and can be counted on to put up a fine battle for spectators.

The public is cordially invited to attend. No admission charge.
