DOLLAR DAY HERE WEDNESDAY, AUG. 13

Sponsored by Chamber of Commerce; Merchants to Give Notable Values

Dollar Day in Highland Park is scheduled for Wednesday, August 13, and a large number of local merchants are planning to make it one of the red letter days in Highland Park mercantile history. Dollar Day means good merchandise offered by local merchants at lowest possible prices and an opportunity for everybody to benefit.

The Dollar Day committee of the Highland Park Chamber of Commerce composed of J. L. Werheim, Julian Smith and A. L. Fell at a recent meeting decided upon the date, August 13, as the big day, and it is expected that there will be unanimous support of this plan. With the merchants co-operating, there is every reason that another success will crown their efforts, such as the well-remembered Dollar Day sponsored by the Chamber last February.

Special Advertising Bulletin

In order that Dollar Day advertising may be up to the minute, the Highland Park Press will issue a special Dollar Day Bulletin on Tuesday, August 12, which will be distributed in all homes in Highland

Burglars Rob Safe in Trinity Church

Burglars some time Sunday night broke into Trinity Episcopal church, pried open a metal cabinet and escaped with more than \$100 in cash according to reports about town. When the robbery was discovered Monday morning, the police were notified, but at that time definite report of the sum missing was not given, the officers state. Entrance was gained to the church through a rear door. The Episcopal church at Evanston is reported to have been robbed similarly not long ago.

Finals in President's Cup Tourney at Sunset Valley on Sunday Next

The finals of one of the big tournaments of the year at Sunset Valley, the President's Cup matches, will be played next Sunday between Walker Flinn and Bill Chambers. Both men have come through many elimination matches unscathed, and both have the reputations of being among the sterling golfers at Sunset Valley and in the vicinity generally. Flinn has been up near the top in all affairs at the club, and Chambers recently won the Chicago District Junior Golf championship. It should be a good match, as both will be fighting to win.

Among the coming events of the Tee club at Sunset Valley are two days especially for the women of the club on August 19 and 21. There will be tournaments and events which will interest and entertain all members and guests. A flag tournament will be held next Tuesday, Aug. 5, and many of the members are expected to turn out for that.

Mrs. R. S. Hill was the victor in a putting tourney held for the women last Tuesday. Her low total was 13 putts for six holes.

In the women's handicap tournament, which was completed last Wednesday the winners in each of the three classes were as follows: in class "A" Mrs. Reeves defeated Mrs. Anthony 2 up; in class "B" Mrs. Nash defeated Mrs. Lucas 2 up, and in class "C" Mrs. Getz won from Miss Conrad. This tournament included nearly all the members of the Tee club, and a great deal of interest was displayed as the tourney progressed.

Thursday Night Dance Hours Changed to 9-12

This change has been made in order to allow those who cannot get to the dance before nine to have the full benefit of the brief hours of enjoyment. The dances are held under the auspices of the East Park District.

Local Boy Scouts Have Returned from Outing At Camp Ma-Ka-Ja-Wan

Members of Troop 30, Highland Park Boy Scouts returned Saturday in autos from Camp Makajawan, near Elcho, Wisconsin. They had made the trip to the camp two weeks previously by motor also, and the total mileage covered by this caravan was estimated at about 6,000 miles, as there were several cars and one truck included.

The cars for the trip were furnished by chairmen of Troop committee, S. A. St. Peter, Walter Cope, E. T. Skidmore and John L. Udell, the scoutmaster. Mr. St. Peter of the Reliable Laundry also furnished a truck for the baggage. On the return trip all but Mr. Skidmore made the trip, and Mr. Roy O. Nereim went in his stead. Mrs. St. Peter accompanied her husband.

Computing the car fare which would have been paid by the boys had they gone to camp and returned by train makes a total of \$220, according to members of the party who did a little figuring on the matter. Thus a goodly sum was saved the boys by the kindness of those who furnished the autos.

The members of Troop 30 who returned from camp Saturday are: John L. Udell, scoutmaster; Duane Cope, Billy Decker, Francis Drake, Harry Eaton, Lee Gatewood, Douglas Graves, Fred Hodgdon, Billy Larson, Bob Moseley, Robert Neriem, Francis Ronan, Charles Russell, Harry Skidmore, Stanton St. Peter, Charles Tyson, Bill Tyson, Nathan Udell, Vernon Nevitt, Bill Schmidley, Harry Hansen, George Clark. Neeham Ball and George Gaidzik remained over at camp for the next period.

Members of other troops who returned home Saturday from Camp Makajawan are:

Troop 31—Hamilton Herman, Byron C. Howes, Harry Lankford, Walter Willard.

Troop 32—Wallace Glader, Bob Grant, Raymond Kuehne, Edw. Moroney, Edward West.

Troop 33—Robert Anderson, George Canright, Carl Huncke, George McLellan, Tom Nelson, Kerwyn Smith.

Mrs. Graham, the teacher of folk dancing at Sunset park, has been absent the last two lessons on account of the illness of her husband. However, the instructors at the playgrounds have taken charge of the classes and have continued with the work. There are several dances being worked on, and all are making good progress. Mr. Copp, director of playgrounds, is working with one group on a soldier's drill dance, and hope to present it at the final playground day exercises. Miss Cancie

Merchants Complain of Being Defrauded

Recently a woman advertising agent secured a number of advertisements from local merchants to be placed on a blotter, which she explained was to be distributed in the 425 rooms of the Moraine hotel. 14 small ads were secured and printed on the blotter, all right, but the blotters were not distributed in the hotel rooms, and the merchants think they have been defrauded, as it was represented to them that permission had been obtained from the hotel management to place the blotters in the rooms.

Regarding this report, Manager Robert Lark of the Moraine hotel reports that neither Mr. Cushing nor he had given any such permission, nor would any be given, as the hotel does not lend itself to such undignified practices. As far as the blotters are concerned, it was stated that they had been sent to the incinerator. In the final analysis therefore, what the subscribers bought was "hot advertising"—literally.
