

COMMERCE CHAMBER IS SPONSORING IT

(Continued from page 3)
 these big Dollar Day bargains, the Highland Park Press is co-operating by the preparation of a big special Dollar Day Bulletin to be issued on Tuesday, Aug. 12, the day before the big event. In this bulletin merchants will be able to acquaint their patrons and the public at large with the special values which they plan to offer the following day, and the Bulletin will be distributed in all homes in Highland Park, Ravinia, Deerfield, and Highwood during that day.

Second of Series

This is the second time that the business men, under the sponsorship of the chamber of commerce, have united in support of a sale of this character, and because of the present unanimity of effort and interest on the part of the merchants, with most of them offering notable values for this sale, there is provided an exceptional opportunity for the people of Highland Park, Ravinia, Deerfield, Highwood and nearby vicinities to avail themselves of the unequalled bargains in good merchandise to be offered on Dollar Day, Aug. 13.

The remarkable success of the first Dollar Day sponsored by the chamber of commerce with the backing of the merchants of the city on Feb. 10, 1930, was a notable demonstration of what Highland Park merchants are able and willing to do in a sale of this type, and the splendid results of that sale and the general success of the Dollar Day project on that occasion augurs well for the success of the coming Dollar Day, Aug. 13.

With this hearty co-operation on the part of the merchants and the certain interest to be stimulated by the announcements of the fine values to be offered through the medium of the special Dollar Day Bulletin to be issued Tuesday, Aug. 12th, by the Highland Park Press, there is every reason to believe that Highland Park Dollar Day, on Wednesday, August 13, will be a great success and of widespread benefit to the community.

sonnel. His talk was heard with deep interest and appreciation by the members present.

Chief Tiffany was nominated as republican candidate for sheriff at the primary election last April, receiving a large plurality despite the fact that

there were four other candidates in the race. As nomination on the republican ticket in Lake county is usually tantamount to election, there is every prospect that Chief Tiffany will be the next sheriff of Lake county.

Directors' Meeting

President Nicholas of the Rotary club announced a meeting of the directors of the club to be held Thursday noon at the Howard-Udell Cafeteria.

Lyman Prior, of Jacksonville, Fla.,

who is here on a visit to his old home, sang a couple of songs, as only Lyman sings them, and the were received with hearty manifestation of appreciation. If there is a worse place than the seashore when it is raining it must be the mountains when it is snowing.

Who likes to write while vacationing!

When you're on your vacation, every minute is precious. It seems an awful waste of time to write letters, but you can't worry the folks back home by not letting them hear from you. Why not snatch a few minutes from a busy vacation day and telephone them! Talking to them is much more satisfactory than writing letters and *so much easier*. You'll never miss the time it takes to make a Long Distance call.

When you telephone back home, Mother knows by the sound of your voice that you're well, Dad can tell from your laughter that you're having a wonderful time and you can answer little brother's question, "How's the swimmin'?" When you go vacationing, it's a good thing to forget your responsibilities—but keep the folks happy with an occasional telephone call. Long Distance is *Quick, Clear, Inexpensive*.
