

EASE

in securing **HOT WATER** gives you new help in household tasks . . . and new personal comfort

What do you use more in your home than **HOT WATER**? Hourly . . . or oftener . . . there arises a need for it . . . for bathing, dish washing, clothes washing, scrubbing, shaving . . . and a list of other uses that are counted in the scores. Because **HOT WATER** is so necessary in your home . . . because it is in constant, daily use . . . why don't you have the plentiful, never failing supply assured by a

Self Action Gas Water Heater

What **EASE** you and every member of your family will have when you need **HOT WATER**! There will be no tending a fire, lighting a heater, running down to the basement, waiting for water to heat. Instead, you will turn a faucet and all the **HOT WATER** you need will gush out to serve you. There never will be a shortage of hot water in your home . . . never any bother in having all you need . . . at any time.

*You will receive a **LIBERAL ALLOWANCE** on your old water heating equipment this month with the purchase of a modern **Self Action Gas Water Heater** . . . and no down payment will be necessary, for your old equipment will be accepted as the first payment on your new water heater. Without any obligation to you, come in and see the **Self Action Gas Water Heater** that will serve you best . . . or telephone and we'll send our representative.*
