### Tiffany to Be Host at Picnic August 24

Chief of Police Lester T. Tiffany, republican candidate for sheriff of Lake county, will be host to his friends of Lake county at a public picnic to be given Sunday, Aug. 24, at the Public Service company model farm playground, near Mundelein. The amusements will include ball games, races for all classes, ponies for the children to ride, a horse shoe

tournament, dancing, band and orchestra music, and other features. Refreshments will be served and there will be plenty for all. Entertainment and fun for everybody is promised. A pony and saddle will be given away during the day. The picnic is given through the courtesy of Chief Tiffany, and the public is invited. The grounds are fenced, and the picnic will be an ideal place for a day's outing, the children especially will enjoy it.

## Civic development

*follows*

## LIGHTING

**B**ETWEEN 1920 and 1930 the population of Elmwood Park—one of the fastest growing towns in the State—increased from 1,380 to 11,148 or 700%.

Modern street lighting—as assured by the more than 250 ornamental street lights installed during this time—was unquestionably an important factor in the remarkable growth of this alert community.

Proper street lighting gives added protection to life and property— attracts business— promotes traffic safety— stimulates civic pride— creates sound advances in real estate values— is now widely recognized as a municipal necessity.

*Officials and engineers of communities served by this Company are invited to consult its Lighting Sales Department on street lighting problems.*
