initiated several members in to the Royal Order of Siam. The Menominee village gave a stunt called "Fireman, Fireman, Save My Child." Mr. Wilkins then presented a barn yard serenade. Mr. Boltz conducted a talking contest. The campfire was closed with taps.

#### GAIDZIK TALKS ON DISCIPLINE AT MESS

In the mess hall this morning, Mr. Gaidzik, skipper of the Sea Scout ship, and former Olympic diving champion, talked on discipline and the part it plays in one's life.

In 1904 Mr. Gaidzik was the central states champion and the following year he was sent to take part in the national contests. "I went along splendidly until the last event, a 10-foot high dive," said Mr. Gaidzik. "I failed in this one dive, however, and it cost me the championship. I learned then that I must discipline myself or I would never be able to win a diving contest. I learned to 'Be Prepared.'"

#### SCOUTS FIGHT FIRE IN KETTLE BOWL

Shortly after noon mess today, a fire drill was staged to put out a fire which had been permitted to rekindle itself in the kettle bowl, east of the mess hall. A bucket brigade was formed from the wash house to the line of the fire. Hose was taken from both the fire hose stations and connected together, forming one line from the second station that reached to a point well beyond the fire and gave the boys control over it. The Sea Scouts were in charge of the hose line and the other villages formed the bucket line.

#### SHAWNEES TAKE TWO OUT OF THREE

Yesterday evening, just in front of the mess hall, shortly after supper, one of the most exciting horseshoe games yet seen at Camp Makajawan was played by Truelsen and Nielsen of Shawnee village and Golden and Shelton of Chippewa village. In the first game the Shawnees lost to the Chippewas by a score of 21 to 12. In the next two games the Shawnees won over the Chippewas, however, by scores of 21 to 19 to 20, two very close games. There was a tough fight all along especially between Truelsen and Nielsen. Twice Nielsen made double ringers and Shelton made one ringer over Nielsen's. The game was one of ringers. One bystander said that on an average Shelton made a ringer out of every two shoes not considering the "caps" and the other players did no less. Several minor games were played by champions. They won two games straight by scores of 11 to 0 and 11 to 0. "Barney Golf" seems to cause quite a bit of excitement among the campers and many are anxious that there be more of it. Dick Thormeyer, Troop 61, Northbrook.

#### CHIPPEWAS WIN IN CONTEST

In the finals of the scoutcraft meet, held in the kettle bowl this afternoon, the Chippewas came in first with a score of 22½ points. In the tent pitching contest the Shawnee patrol placed first. The Chippewas came in ahead in the dressing race. The fuz-

zle whittling contest was also won by the Chippewas. In the string burning contest, the Menominees placed first. The board jump was won by the Shawnee campers, and in the stretcher race the Delawareans came in first. The Delawareans also won the scout pace relay. The final total scores were, as follows: Chippewas, 22½; Delawareans, 19; Menominees, 16½; and Shawnee, 16.

#### INDIAN CLASSES DIVIDED INTO TRIBES

According to Chief Whirling Thunder, there are 31 members in his Indian class this period. The class has been divided into two tribes, the Chippewas and the Sioux, to facilitate handling such a large group and to make competition more keen. "Everyone in the class is making a miniature Indian teepee," said the chief. "Each camper now has his frame complete and we will soon begin to cut and decorate the canvas." The two tribes have been competing in a boy and arrow contest and at the end of last week the Chippewas were in the lead. At the campfire Saturday evening, the members of the Indian class presented a game which was won by the Chippewas and "Stepping on Tees," a game used to train warriors to be fleet footed and skillful. The Sioux were in the lead in this game when it was stopped. In addition to the program presented by the campers, Chief Whirling Thunder and Mr. Betak danced the Hunting dance.

#### WILKINS AND HICKS LEAVE FOR HOME

Mr. Robert J. Wilkins and Mr. David F. Hicks left camp this morning for Highland Park where they will meet their parents. Mr. Wilkins is moving to Long Island, New York Monday. He has been camp clerk and had charge of the fire guard since Camp Makajawan opened this summer. He instructed in first class map making also. When he left he made the following statement to the Nabaskala reporter. "My only regret is that I will have no porcupines to take home. I'll probably be back next year." Mr. Hicks, also a senior officer on the camp staff was in charge of truck transportation since the camp opened. As truck driver, he was entrusted with the camp mail daily, and became a living example of "Jack Dalton." Two retiring officers left the camp at 9 o'clock this morning. They expected to catch a train at Antigo which will get them to Highland Park late this evening. Mr. Wilkins and Mr. Hicks were both senior officers at Camp Makajawan last summer and this was their second season at the North Shore Area council camp. They have both spent several summers previously in the Chicago camps at Owasippe, Mich.

#### Have Scout Records

The five highest ranking boys in the Edison Scholarship Test have records of scout membership and the winner of the contest, Arthur O. Williams, is a star scout of Troop 5 of East Providence, Rhode Island. Three of the next five boys in order have military records. 30 of the 49 boys competing have records of scout membership. The fact that these boys have been selected on merit from each of the 48 states and the District of Columbia speaks for itself.
