

MARDI GRAS FEATURE DEERFIELD CARNIVAL

(Continued from page 3)

The field events, with Comrade C. E. Bates in charge, will immediately follow the Mardi Gras, with the following schedule:

1 o'clock — 100 yard dash, boys 14 years or under.

50 yard dash, girls 14 years or under.

50 yard dash, boys 10 years or under.

50 yard dash, girls 10 years or under.

Baseball Throw—boys 14 years or under.

Girls 14 years or under.

Boys 10 years or under.

Girls 10 years or under.

Baseball Game

A baseball game, later in the afternoon, will provide continued entertainment.

The concluding hours of the carnival, Saturday night, will provide thrills for many, but especially for two, who will count Saturday, August 23, their "lucky day." The car committee chairman, Comrade Gus Klemp, announces that a Chevrolet sport coupe will at that time be given away. Of particular interest to the children will be the awarding, at that time also of a wide-gauge electric train set. While the value of the set will mean little to them, the attractive features and fine workmanship of the outfit will surely mean that its little owner will be counted a "lucky chap" among his associates.

Remember—you are invited to come out to Jewett park, Deerfield, on Friday and Saturday, August 22 and 23 to enjoy the companionship and fun of the Annual American Legion carnival, Deerfield Post No. 738, of which George Briggs is commander.

Commander George Briggs is negotiating with Dr. H. E. St. Antoine to have the Veterans Drum and Bugle Corps of North Chicago Hospital No. 105 attend the carnival and give a series of musical marches and stunts on the carnival days.

Local Baseball Fans at Cubs Park Tuesday

Approximately 100 Highland Park baseball fans were on hand Tuesday, August 12, when the Chicago Cubs played the Brooklyn Robins in the first game of a four-game series, with berth honors at stake. The Highland Park delegation boarded a North Shore Line train at 1:33 Tuesday afternoon for the Cubs' Park. For the convenience of the out-of-town rooters, a special stop was made at the Addison street "L" station. On their return trip, the visitors boarded their train, leaving Belmont avenue station at 5:45 p.m.

INTO A DITCH

"My wheels struck a culvert, and I crashed into the ditch. Of course, I thought my insurance covered me, but I found out that the insurance company did not consider sliding into a ditch a collision, and, as a matter of fact, that the policy expressly excluded such accidents.

A complaint such as this will never be uttered by the member of the Chicago Motor Club who has placed his insurance with the Inter-Insurance Exchange. The policy issued by the "exchange" considers sliding into a ditch a collision and the claims department handles it as such.

Another feature of the policy issued by the "exchange" is that it is the valued form which, in the event of total loss, pays the face value of the policy.
