

modern top which distinguishes the General Electric Refrigerator—makes it possible for the family of the most moderate means to enjoy the advantages of electric refrigeration. In the Monitor Top, the entire mechanism is hermetically sealed in steel—protected against air, dirt and moisture, with walls of steel.

So efficient is the mechanism of the Monitor Top, that you can run your General Electric Refrigerator on just a few cents a day. So easy are our terms, that a few dollars in cash will put a General Electric Refrigerator in your kitchen within the next forty-eight hours!

**LAKE CO. DELEGATES
IN JUDICIAL CAUCUS**

Will Have Trifle More Than One-third of Convention, Belief Meet September 12

Lake county delegates will have a little more than one-third of the votes to be cast at the judicial convention that is to be held September 12 to name a successor to Attorney Claire C. Edwards, who resigned as circuit judge last March, it is reported.

The four counties that make up the seventeenth judicial circuit will have a total of 149 votes and of that 52 will be cast by Lake county delegates. Winnebago county, of which Rockford is the county seat, will have the largest vote with its 64 delegates. McHenry will be third in power with 21 and Boone fourth with 12.

Will Hold Caucus

Before the judicial convention is

held the precinct committeemen of the Republican party will hold a caucus August 20, at which a candidate will be chosen to be nominated by Lake county and the 52 delegates will be selected.

The other counties have agreed to follow the wishes of Lake county, it is said.

An intense campaign, which has even been carried to the public in a number of instances, has been made to sway the precinct committeemen to one candidate or another.

Only three men are in the fight for the approval of the Lake county delegation and of these Attorneys Ralph J. Dady and George W. Field are claiming the bulk of the support. The third man, City Judge Theodore Forby, of Zion, has not been active in his bid for precinct committeeman, support due largely to the fact that he has been on the bench in Chicago almost continuously since last March.

—RAN 11,000 MILES ON A SPARE
Taxicab before the first tire was replaced.

3. YOU may never intend to race. You may never intend even to speed. You may never climb Pike's Peak. But, every day—whether you know it or not—your life depends upon your tires.

4. WE HAVE these Super High Speed Gum-Dipped Balloons for sale today. They are the same tires that the racing drivers demand—the premier tires of the world. Their first cost is low. Their cost per mile of service makes them cheaper today than even cheap tires. They are inexpensive, not only because the price of rubber is low, but because we have joined with Firestone to bring into the sale of tires the same degree of efficiency which goes into their manufacture. The benefit of all this is in the price to you.

5. DRIVE IN TODAY. We will examine your tires and make you an allowance for your unused mileage. We can equip your car with new Firestone Super High Speed Tires at a much lower cost than you ever expected. They will give you unequalled service and satisfaction.

TRADE IN YOUR USED TIRES TODAY!

TO THE AUTO DRIVER

Why not reduce the danger of accidents by keeping your windshield clean and sparkling when you can do so easily and quickly with—

SPARKLE?

One pint can of SPARKLE will clean all glass in a closed car dozens of times without any muss whatever, and you will be forced to acknowledge that SPARKLE will beautify the glass as nothing else will.

Make SPARKLE part of your necessary automobile equipment.
