Sunset Valley Golf Course Continues to Be Popular; Ladies Day

Sunset Valley Golf course continues to be popular with our local golfers and many matches are being played off as the season advances.

The ladies have been busily engaged with the decoration of their club room which they formally opened on Tuesday last. The entire room has been painted, the ladies working out the color scheme most tastefully.

The interest shown by the women of the club in their organization is gratifying, not only in the work in the club room but also their enthusiasm in golf.

Tuesday being Ladies' day as well as their club day shows a marked increase in the registration of women on that day.

Many Local People Attending Air Races

Practically half of Highland Park's population are attending the Air Races at Curtiss Field this week.

A great many of the members of the Chamber of Commerce and families attended Tuesday and about thirty Rotarians and wives attended Wednesday in a body, it being Rotary day.

It was a sad experience to witness the crash of the army plane in which two were killed. At least one hundred Highland Parkers witnessed the accident.

Local Boy Awarded State Prize in National Contest

The following article which refers to one of Highland Park's young citizens is a reprint of an article appearing in a recent issue of the League of Nations Chronicle. David Davis Morris to whom the article refers was a member of the 1930 graduating class at the Deerfield-Shields high school, and is the son of Mr. and Mrs. Sidney D. Morris of 268 Laurel avenue.

"A few hours before attending the exercises at which he graduated from the Deerfield-Shields Township high school in Highland Park, Ill., David Davis Morris was informed by the Mid-West office, L. N. A., that he was winner of the Illinois state prize in the National League of Nations Examination contest.

"He is a member of the National Honor society, having been chosen as one out of 25 of the 174 members of his graduating class. He has already put his foot on the first rung of the ladder leading to a literary career, in that he has written a short story which was published in Boys Life in 1927. Whether or not he intends to be a writer he does not say. The money which he receives as the Illinois prize will be used to help pay his expenses at Northwestern university where he will study English and history."

"Richest Man in World" Heads Alcyon Program; Other Features Noted

As natural a picture as has been seen on the screen in some time, replete with both the comic and pathetic moments of life, is coming Tuesday and Wednesday to the Alcyon theatre.

"The Richest Man in the World," which marks the initial screen appearance of Louis Mann, veteran of the stage.

The reasons for the life-like qualities of this picture lie in the simplicity of its story of an old German barber who has difficulties in raising a large brood of children, and the effective performances upon the part of Louis Mann in the central role and Elliott Nugent, Leila Hyams, Robert Montgomery, Francis X. Bushman, Jr., Mary Doran and Jean Wood as the youthful members of the cast.

How the old German patiently sticks by his children and helps them out of their respective dilemmas makes up an engrossing picture which will linger in one's memory for a long time.

Other features included in this weeks program are: Ken Maynard in a fast moving action drama "Song of the Caballero, showing Saturday. Sunday Warner Baxter will thrill the audiences in his latest picture, "The Arizona Kid" Richard Dix in "Loving the Ladies" has been selected for showing on Monday.
