MANY ATTEND 2 DAY DEERFIELD CARNIVAL

S. C. Rebling Awarded Main Prize; Parade; Participants Given Prizes

Music, gifts, fun and frivolity, friendliness and renewed acquaintances were just a few of the many delights and thrills provided by the Annual Carnival of Deerfield Post 738, American Legion, last Friday and Saturday.

The Veterans' drum and bugle corps, which is composed entirely of patients in the North Chicago hospital, struck a responsive chord in the hearts of its audience, and won the admiration and appreciation of the crowds who listened to its splendid performance on Friday evening. Not only can these boys play—but they can sing! Led by a police escort and Legionnaires bearing the colors, the drum and bugle corps marched through the business district preceding the program in Jewett park.

The dance floor attracted a good crowd on Saturday evening. Of course, the refreshment stand did a rushing business at all hours, and the concession booths continued busy.

Saturday's program commenced at 12:30, with the Children's Mardi Gras parade. The many colorful costumes delighted the onlookers, and added to the difficulties of the judges. Carnival hats and boxes of cracker jack were given to each participant, and the prizes were awarded as follows:

A novelty to today's children was provided by two ponies, which were kept busy giving the boys and girls a "buggy ride."

The hour from 7 until 8 o'clock, Saturday evening, afforded keen pleasure to all lovers of music. The Deerfield Municipal Band displayed its skill to an appreciative audience.

St. James Defeats Northbrook Sunday

Last Saturday St. James bowed to Deerfield by a score of 10-9. Deerfield scored three runs in the last half of the ninth to win.

On account of the game being played on Saturday afternoon St. James found themselves short of players and particularly pitchers, after much figuring it was decided that Berube was the logical choice for mound work.

Berube did well, holding the strong Deerfield team hitless for three innings and continued to pitch much better ball than could be expected of a regular third baseman.

Sunday however found St. James back in full strength when they journeyed to Northbrook to meet the team that was sharing first place with them.

Lindwall was on the mound and allowed only five hits for a total of four runs. While the Saint's collected ten hits for a total of eleven runs.

With this game tucked away St. James remains in first place with only two more games to play, and both of these at home.

Next Sunday St. James meets the
