

Winner of Woman's Junior Championship

Helen Mae Koon recently won the Woman's Junior championship cup at Briergate Golf club for the third consecutive time, entitling her to retain the cup. It is known as the Florence Harbaugh cup, being donated by Mrs. Charles Harbaugh.

Mr. and Mrs. Robert W. Schneider and daughter, Robbie Lou, have returned from a short trip to Wisconsin and Central Illinois.

Announce K. C. Picnic for Sunday, Sept. 14

Announcement that the annual picnic of Lake Forest Council No. 1268, Knights of Columbus, would be held Sunday, Sept. 14, was forthcoming this week from A. J. Salisbury, of Libertyville, who is Grand Knight of the Council.

Committees for the annual affair are now at work arranging plans and getting everything in readiness for the gala event. The program of events, although not announced as yet, will consist of a regular picnic lunch at noon to be followed by athletic contests during the afternoon.

Although no definite location for staging the picnic has yet been made it is almost assured that it will be held at the picnic grounds at St. Mary's of the Lake Seminary at Mundelein.

All members of the Council are invited to prepare for the picnic by marking Sunday, Sept. 14 on their calendars. Friends of members are extended an invitation to attend.

Mr. and Mrs. J. J. Berube had as their week-end guests Mr. Tim Le Bel and daughter, Eugenie, and sons, Peter and John, Mr. and Mrs. Ray Totte, Mr. and Mrs. Tarpley, Mr. Frank Totte, Sr., Mr. Thos. Carom and Mr. Bennett of Jackson, Mich. While here they attended the air races and visited in Chicago and at Mundelein. Miss Ruth Berube who is in training at Mercy hospital, Chicago, spent a few hours leave at home during their visit. The party returned to their homes on Monday.

Archer's First Meet Saturday Afternoon

At an enthusiastic meeting held on Tuesday evening the Highland Park Archers decided that the best way to make the organization effective would be to start practice at once. Consequently the first shoot will be held on the range at Sunset park, on Saturday afternoon. This will be continued each week as long as the weather permits, when it is hoped a suitable inside range will be secured and prac-

tice continued throughout the winter months. It was suggested that roving be carried on during the winter months across the Skokie on skis or snow-shoes, provided there be sufficient snow. This surely would be a red-blooded sport with a good appetite for a reward. The fun of making one's own tackle was not overlooked, and free instruction will be given those wishing to do so. The first requisite being that the archer read one of the books on the subject to be had at the public library.
