PERMANENT  
FASHION**

New styles in women's clothes are created—and designed to fit—the woman whose figure is youthfully proportioned.

Any woman who wears CHARIS can wear smart gowns becomingly. For CHARIS is adjustable, by the wearer, so that the awkwardness of a heavy or over-developed figure can be transformed into smooth, pleasing, youthful lines.

CHARIS will be brought to you at home for examination and demonstration... Please write or 'phone stating when our representative may call.
