stove this month*

The opportune time is here to replace your worn out cook stove with a trim, modern oven heat controlled gas range. This month you'll receive a \$10.00 trade-in allowance on your old cook stove when we install a new gas range in your kitchen. Then you'll have leisure hours you've never had before... and cooking results obtainable only when you have the oven heat regulator to keep temperatures in the oven at exactly the degree you want for every food. Your old cook stove compels you to stand over it... watching... testing... fretting with impatience and anxiety. Your new oven heat controlled gas range will drive from your kitchen the imps of inefficiency, needless work, wasted time and worry.

For beauty of design and sturdiness of construction, no other cooking appliance can equal a modern oven heat regulated
