MEN OF QUALITY

In early days there was cleavage among people. "Men of quality" were distinguished by faultless apparel. Others, clad in costly, gave way to them.

Such distinctions have happily passed. Every man today can be a "man of quality" wearing well-cut clothes of dependable fabrics.

Society Brand makes them, in models to suit every type, all deftly styled in the season's trend. For value, insist on Society Brand Clothes. Their maker's good name guarantees them.
