Last Sunday was one of the best days that we have had during the summer season. The services were well attended. The open air services surpassed the expectations of those who directed it and the congregation at the evening preaching service reached the high-water mark. Bishop E. S. Woodring's sermon was an inspiration and encouragement to the people.

On next Sunday morning at 10:45 o'clock the pastor will preach, on "Hearing and Heeding the Word of God."

At 7:45 p. m. there will be Echoes from the Missionary and Young People's Convention held at Cedarville this week. One of the convention speakers, Rev. Deyneka, will describe conditions as they are today in Russia and various other countries in the old world, and reports of the addresses at the convention will be given

on Sunday evening. Do not miss this service.

The weather permitting, another open air service will be held in front of the church at 7 p. m. There will be special singing and a short address. Join us in this service in the open air.

The Bible school meets at 9:30 a. m. Lesson on, "Jeremiah, the Prophet of Individual Religion." He was one of the greatest men of all time. You ought to know the facts which make up the history of his life. Come to the Bible school.

Prayer meeting on Wednesday evening at 8 o'clock. The S. S. board will meet after the prayer meeting.

The Mission Band will meet at the church at 3 o'clock on Saturday afternoon. Mrs. Fred Henning and Miss Hedwig Gieser are the competent leaders. A good meeting is expected. Let every member of the band be present. Bring your friends.

Conference is now over, and I am back on the job, having been assigned to continue the work of ministering to the church at Highwood and teaching at our school in Evanston. I can truly say that I am happy to be back. I am confident that the coming year has greater things in store for us than we have ever experienced in the past. My prayer is that the experiences of the new year shall reveal that we are ever becoming more Christlike in our living.

According to our present plans, all of our Sunday evening services will be in English with the exception of the third Sunday evening of each month when the service will be in

Swedish. Dr. C. G. Wallenius has promised to be with us every Swedish Sunday night during the coming year.
