**SANITARY BD. BOND  
 VOTE IN DECEMBER**

**North Shore Sanitary District  
 Decides to Build Plants**

Election on the bond issue to provide \$1,500,000 for the erection of proposed disposal plants in Waukegan and several other communities in the district has been set for the first week in December by the North Shore Sanitary District board.

Tentative plans for the election such as the designating of voting precincts and the polling places are now being worked out by the board.

Five polling places will be located in Waukegan, two in North Chicago, two in Zion, two in Highland Park, two in Lake Forest, and one in each of the towns of Lake Bluff, Highwood and Winthrop Harbor, making 14 in all.

The plant to be erected in Waukegan will cost but \$720,000 instead of \$1,000,000 or \$1,500,000 as variously estimated. This provides a plant for the complete treatment of sewage but does not include the construction of the trunk sewer which will connect the plant with the south side sewer outlet.

**Illinois Press Assn.  
 to Meet November 20-22**

Members of the committee planning for the fall meeting of the Illinois Press association to be held at the state university November 20, 21, and 22 met with H. L. Williamson, secretary of the association recently in Springfield. An event of national importance will occur in connection with this meeting, that of the unveiling of busts of nine prominent Illinois editors, several of whom were closely identified with affairs of national concern. It is expected to have a national speaker at the unveiling ceremonies. At the annual banquet chief speakers will be Governor Louis L. Emmerson and Dr. Harry W. Chase, new president of the university. The Ohio-Illinois football game will be played November 22, the last day of the meeting.

**Rabies Quarantine Is  
 on in Sangamon County**

A rabies quarantine is now on in Sangamon county, a proclamation having been passed by the Springfield commissioners providing for the city's co-operation with the state department of agriculture in enforcing it. Mayor Hal M. Smith has ordered that all dogs within the city limits be kept locked up or restrained by leash and muzzle, or be vaccinated against rabies by a licensed veterinarian. Several other sections in Illinois have similar quarantines.

Press dispatches say Amy Johnson, the English sky rider, slapped a young man who tried to kiss her and he backed away with his nose bleeding. That wasn't a slap; it was what the boys call a sock.—Macon (Ga.) Telegraph.

**HOME-MADE ICE CREAM  
 CANNOT BE MADE AS  
 CHEAPLY OR AS WELL**

As we can make it in our sanitary kitchen. We get rich pasteurized cream direct from the Wisconsin dairy farms—and use only the very purest of ingredients. Phone an order to us today and learn for yourself why so many people who used to make their own ice cream now insist on
