TROOP 33 CAMPS AT DIAMOND LAKE

Troop 33 had a very nice time at Diamond lake, Friday afternoon to Saturday noon, for September is just the time for camping because it is so warm and dry. The weather suited us fine. This is the third camping trip this month.

The troop was transported in cars to the lake. When we arrived we set up our tents, and got our beds ready for the night. Then we had a swimming period. The water was fine. After swimming we played until supper. Every scout brought his own supper.

When the eats were stowed away, we went to seek more amusement. Several scouts found a roller skating hall and some skated over two hours (including Dick Wichman). During the day we found a merry-go-round and shoot-the-chutes, but they were closed. After spending a quiet night, we woke up, but were too lazy to get up, and lay in bed talking or scraping. Several did get up and they let down a "pup" tent on top of its two occupants. Then all the others

got up and prepared their grub. After we had grubbed enough to feel pretty well rounded out, we had camp clean up. Each patrol was assigned a certain space to put in respectable condition, take down their tents, roll up their blankets and prepare to have it loaded into cars as soon as they came. Then swimming. The water was as cold as an ice house and we did not enjoy it as much as yesterday. Since we could not use the shoot-the-chutes, we found an old wagon wheel which some scouts rolled down the slide; the record was achieved by Dick Wichman (for distance). We were sorry to leave Diamond lake, but we were finally dragged away owing George Ray a fine good turn for the motor boat rides. — Scout Kerwyn Smith, Troop 33.

TROOP 36 HAS FIRST FALL MEET

Troop 36's first winter meeting opened at 7:30 o'clock last Monday night September 15, 1930. While waiting for the meeting to open the scouts played a game called "Pass the Ball." The meeting opened with roll

call, collection of dues and a talk. Later in the meeting a Scouts and Parent's night dinner was discussed. The meeting adjourned promptly at 8:30. After the meeting an officers' meeting was held. — Patrol Leader Ambrose Cantagallo.

LAKE FOREST TROOP ELECTS NEW OFFICERS

The meeting Friday, September 19, was held at the American Legion headquarters on Forest avenue. After a short drill period and games, election of officers took place. Waino Newman was elected senior patrol leader; Fred Jensen and Fred Schroder, patrol leaders and Kenneth Kennedy scribe. The patrols will hold their own meetings and appoint their assistant patrol leader and other patrol officers. The meeting this week will be in the form of an overnight hike, which will give the boys a chance to pass any outdoor tests that they have not completed.

EAGLE SCOUT IS CABIN CAETAKER

Eagle Scout Harold Huhn of Deerfield Troop 52 has been chosen by the Camping committee as the caretaker of the Cabin in the Woods during the week-ends from now on. He will be on hand at the Cabin from Friday to Sunday to check the troops in and out, to take care of camp equipment, to see that troops keep the campsite and building cleaned up and to be of any service he can to the leaders in charge of the troops.

Arrangements have been made at the Cabin to accommodate more than one troop at a time. Cots for 60 scouts and leaders are now ready for use at the cabin and soon pup tents will be available for use in the woods around the cabin for those who like real camping. With these new arrangements the camping committee states that there are plenty facilities for 100 boys at once. Mr. Charles A. Steele, the chairman, urges every troop to take advantage of this fine fall camping weather and "put the out in Scouting."

SCOUTS TO ATTEND CHICAGO-RIPON GAME

The University of Chicago has invited all scouts near Chicago to attend their opening game with Ripon college on October 4, at Stagg field.

Mr. Lester F. Blair, manager, states "All scouts must be under adult leadership and the leaders should assemble the troops in uniform if possible at the practice field at 56th and Greenwood avenue, not later than 1 o'clock. Here scout leaders will receive further instructions." Every scout should bring his registration card.

HALF DAY SCOUTS ENJOY HIKE

We met Monday night September 8 at Half Day school. We decided to go to the Cabin in the Woods on an overnight hike. We planned to go Friday and stay till Saturday night.

Friday dawned clear and we were full of pep and anxious to get started. We started in the evening at 4:30 p.m. We arrived at 5:00, had supper and fixed the cabin for the night.

We went to a place about a quarter of a mile into the woods and had a council fire. We sang songs, told stories and had little plays. Then it was time to go back to the cabin. We
