could be avoided if automatic traffic control were in operation at dangerous intersections throughout the county. During the present summer more than 500 persons were injured in automobile accidents, 10 of them fatally, in Lake county. He stated that some of these accidents could have been avoided by a traffic control system.

There are 234,000 people idle in New York City according to census returns. With nearly all the theatres closed, the greater number of the 234,000 are probably chorus girls.

GOOD SMOKESTACKS

are in demand now, with all the factories working overtime and new factories springing up everywhere. We make smokestacks, ventilators, and piping of all dimensions, for many purposes, of any sheet metal desired. All work in tin, iron and other sheet metals guaranteed by us. Get our figures.

Red Cross Convention at Waukegan in October

Members of the Red Cross from all sections of the Northern half of Illinois, will gather in Waukegan on October 16, to attend the Red Cross Regional convention at the Masonic temple in that city. From this division, including all that territory in Illinois, north of Peoria, at least 500 delegates and visitors may be expected to make the trip to Waukegan.

There are 60 city and county chapters of the Red Cross in this division, and all have appointed or are preparing to select delegates to represent them at the conference.

The committee in charge of arrangements is already at work preparing an extensive program to begin at noon on the 16th, and which will be open to the public. A public luncheon will also be a feature of the day.

All phases of Red Cross work will be discussed and reported upon at the convention, especially relief work for disabled ex-service men.

Two speakers from Washington, D. C., Douglas Griesheimer, director of publicity and information to the national Red Cross, and H. F. Keister, staff assistant, will take during the afternoon program. James, Nicholson of Chicago, formerly assistant to the National chairman at Washington, D. C., will also appear as a speaker. Their discourses will dwell especially upon the debt of the public and obligation of the Red Cross toward the disabled veteran.

Want State to Install Traffic Lights in Co.

As a means of reducing automobile accidents in Lake county, especially at intersections of paved highways, the Board of Supervisors last week passed a resolution urging the state highway department to install traffic control systems in the county.

The resolution was introduced by Supervisor David Van Patten, who stated that many serious accidents
