

Nw Location for the Marshall Field Store in Lake Forest Soon

The Lake Forest store of Marshall Field and company, pioneer of the suburban Chicago stores opened by the big retail institution, will move into greatly enlarged quarters next Spring as the result of a 10-year lease, just negotiated, by which the store will take over the space now occupied by the First National Bank of Lake Forest and the North Shore Gas company.

The new quarters are in an attractive modern building owned by the Lake Forest Improvement association on the corner of Market square and Bank lane, the building occupying a commanding position at the head of the square.

Result of Growth

The necessity for much larger quarters for the Lake Forest store of Marshall Field and company is the result of the rapidly increasing business of this north shore branch, according to Ronald P. Boardman, manager of suburban stores of Marshall Field and company.

"The Lake Forest branch has helped fill a long-felt want for a community store carrying the quality of merchandise that Lake Forest customers would expect to find in a Marshall Field and company store," Mr. Boardman said. "Opened as an infants' and children's apparel shop, the store has grown rapidly and consistently until the business demanded larger quarters, which we have now provided."

Quadruple Space

The new quarters for the Lake Forest store are almost four times as large as the present space. The new store will be redecorated and furnished and will be thoroughly modern in its merchandising fixtures. Field's will occupy the new space about March or April, according to present plans.

With the expansion of floor space, the merchandise lines carried in the Lake Forest store also will be enlarged. Fashionable apparel for misses' and young matrons' together with all dress accessories will be carried, as well as a wide selection of infants', girls' and boys' apparel and accessories. The accessory lines to be added include hosiery, gloves, handkerchiefs, scarfs, handbags, belts, costume jewelry, perfumes, millinery, shoes, lingerie, negligees, undergarments, maids' uniforms and aprons. A line of athletic goods for boys will be carried and next to the Boys Own Room on the lower floor, which may be reached by a stairway leading from the entrance, will be play yard equipment, slides, wading pools and gym apparatus.

Started in 1928

The Lake Forest shop of Field's was opened September 7, 1928. It was immediately successful and within two month it was necessary to acquire additional space. The present store is located at Deerpath avenue and Bank lane.

Marshall Field and company also owns suburban stores in Evanston and Oak Park.

Boxing Card at Fort Wednesday Night, Oct. 8

Wednesday night, October 8, at 8:15, Fort Sheridan will hold its monthly boxing card at the post gymnasium. The card is a well balanced card and plenty of action is assured. There will be nine bouts in all.

The main affair will be between Bob Reynolds, 200 - pound army heavyweight champion of Panama and Jimmy Bennit of Fort Sheridan.

This fight is somewhat of a grudge affair as both men claim to be the best in their weight at Fort Sheridan and a knockout is looked for, but the winner is uncertain. The management has had the good fortune of booking Mel Mullins 127 of Deerfield to meet Red Schneider of Waukegan. The other fights on the program are between the best fighters from Fort Sheridan and the Navy at Great Lakes. When the Army meet the Navy plenty of action is assured. For good seats call Capt.

Lippincott 289 Fort Sheridan, or Hunter's Sport shop Highland Park.

Led by a man believed to be the same bandit, who held up and robbed the store last June, two armed robbers last week forced six clerks in the John P. Haese grocery store, 841 Grand avenue, Waukegan, to the rear room, seized \$147 in currency from the cash register, and escaped in a light sedan.

A GRAND OPENING

Shield of Quality Store

Saturday, October 4th

Now—you can buy the finest quality food products right here in Ravinia at Chain Store Prices. We are opening this store operating on the cash and carry plan. Come in and look over our new modernized up-to-date equipment to render you prompt and better service.

"Our Shield of Quality Store" represents an organization of independent grocers banded together to make such a store possible. Quality food products—priced right—your patronage is always appreciated.
