**The Bethany Evangelical Church
H. F. Siemsen, Pastor**

All plans are set for a big Rally day on the coming Sunday. Practically every Sunday school in Highland Park has set apart this day to stimulate new interest in the Church schools where the principles of Christian living are taught. Since nearly all the churches are emphasizing the same thing at the same time, the community as a whole ought to make an outstanding response by co-operating with the Sunday school of their own choice. The Bethany school will open at 9:45 with a short program in the church auditorium. This will be followed by a brief lesson study, which will give all visitors an opportunity to see our school in action. Parents and friends of our scholars are urged to come.

The pastor will bring a Rally day message at the 11 a.m. worship service. His subject will be "A Challenge to the Church." In the evening at 7:45 he will speak on "Jesus at a Cross Road." The ELCE will meet Monday evening at 7:45 for a social time.

The Trustees will meet in the pastor's study Monday evening 7:45.

Mrs. O. K. Wessling will have charge of the prayer service Wednesday evening.

The W. M. S. will have a very special meeting at the home of Mrs. T. H. Decker 146 S. Second street Thursday afternoon, October 9.

The choir will meet Thursday evening at 7:45.

The W. M. S. rally at Northfield on Tuesday was a grand success. The speakers were an inspiration to all who were present. Rev. and Mrs. C. W. Guintier, returned missionaries from Africa, were given a reception at the Bethany church Tuesday evening. After spending a social time, the pastor conducted a brief devotional service. Rev. and Mrs. Guintier were then asked to give some of their experiences in Africa. This was greatly appreciated by all who were present.

Mrs. F. C. Noerenberg returned Sunday evening from the Quadrennial Convention of the W. M. S. of the Evangelical church, which was held

at South Bend Indiana last week. She reports that several very progressive movements were established which will contribute much to the progress of the missionary activities of the Evangelical church.

Full particulars are in the hands of the scoutmaster of your troop.

**NEARLY EIGHTY
APPLY AS USHERS**

Nearly eighty scouts have made application for ushering at the five Northwestern university home games at Dyche stadium. Inasmuch as our council is only permitted to send 40 scouts, the scout headquarters has been forced to cut a number of applicants and place some on the waiting list. Because more advanced scouts were requested all tenderfoot applicants have had to be cut from the list. Other scouts are taken in the order they applied. All who did not get in on the first 40 are placed on the waiting list to be called in case more ushers are needed or some one is needed as a substitute.

Deerfield Grammar School

School notes gleaned from "The Highway" school paper which appeared for the second time on Wednesday.

Last Tuesday, September 23, football practice started and a large number reported. Mr. Bates thought as long as there was such interest manifested, he would endeavor to get a few games with other schools.

Practice will be held Tuesday and Thursday nights after school in Jewett park.

Jokes—

"Did you hear about all the excitement in the library?"

"No what was the matter?"

"They found dynamite in the dictionary".

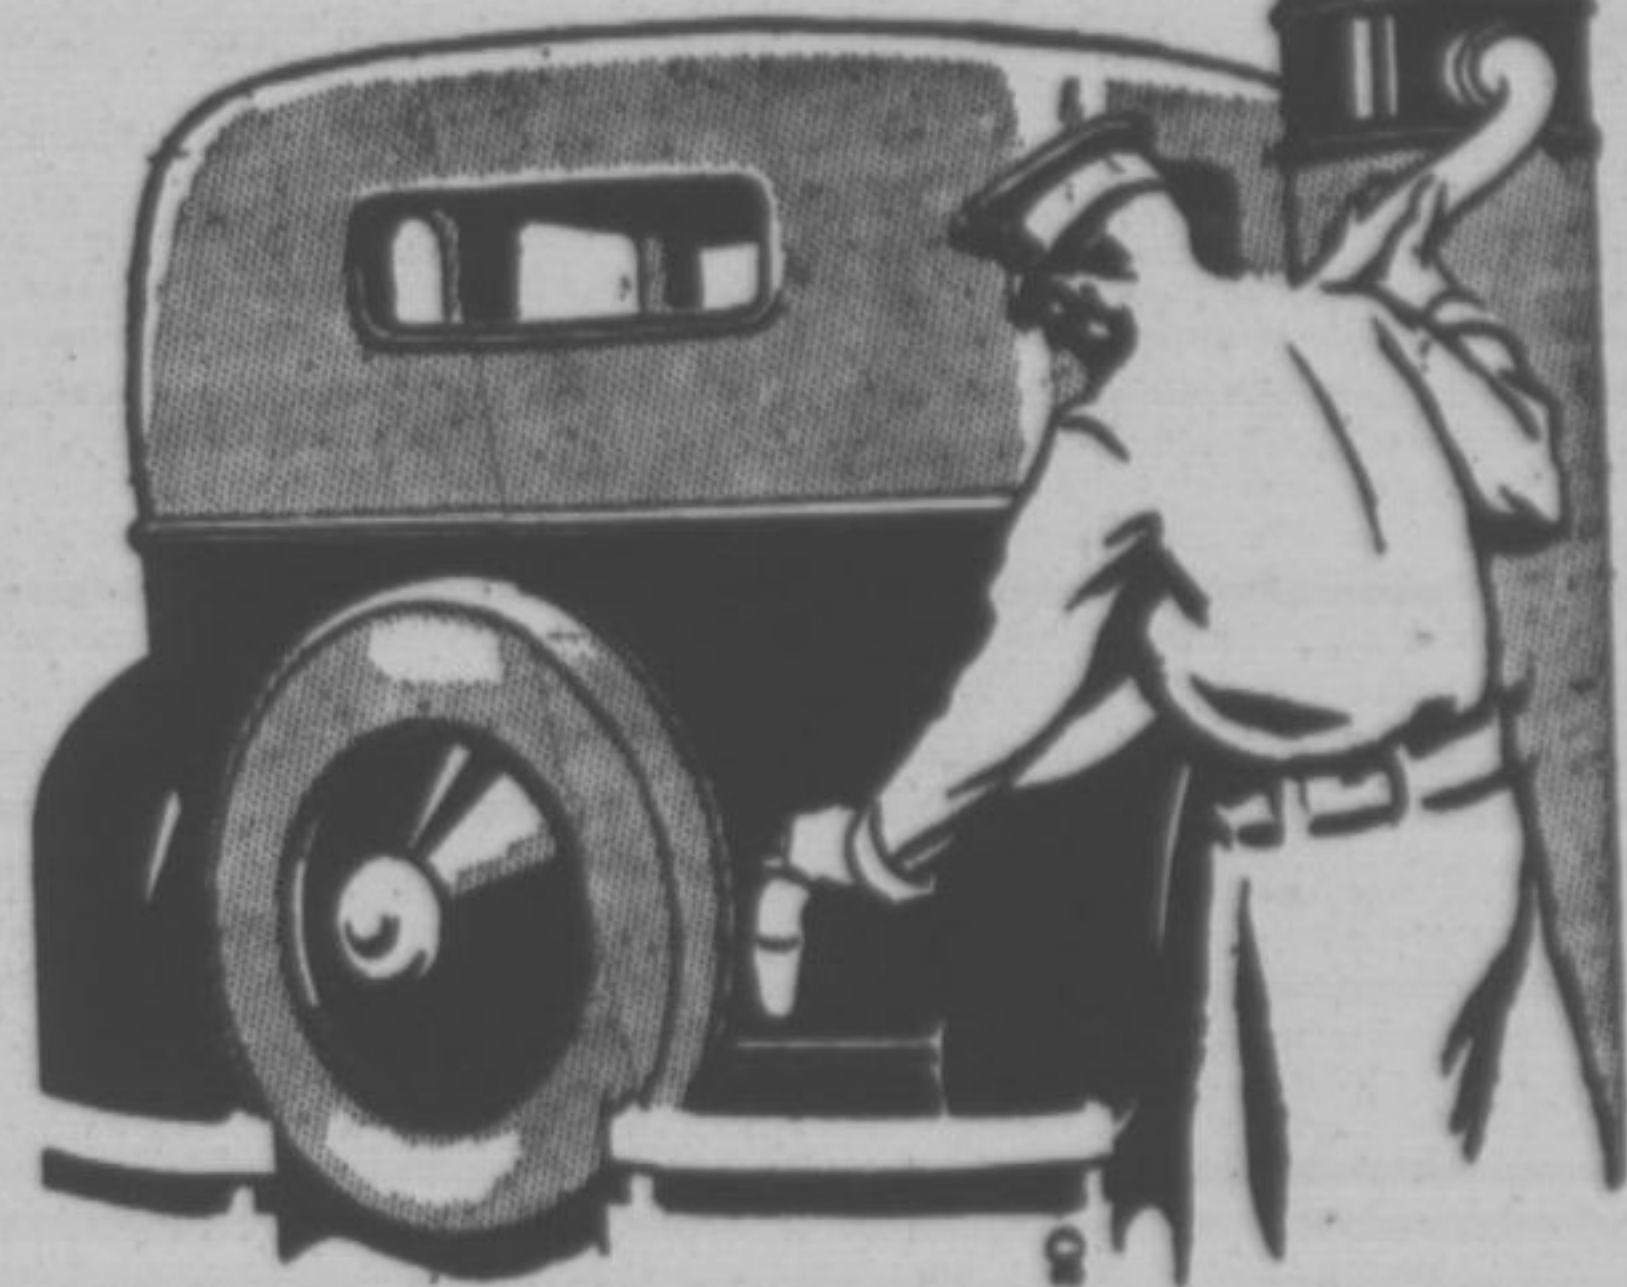

Miss M.: "If I earned \$40 and gave half to Mr. B. what would Mr. B. have?"

Harry A.: "I think he would have heart failure."

Editor in Chief, Thomas Duffy states that the Highway, which is being sponsored by the eighth grade is not only an eighth grade project but a school paper and urges all pupils to take part by buying the paper and sending them news.

The six members of the cat family which are native to the United States—cougar or mountain lion, bay lynx (also known as bobcat and wildcat), Mexican jaguar, gray Yaguarundi, Canada lynx, and Mexican ocelot—are represented by specimens in the systematic collection of mammals at Field Museum of Natural History.
