

Postmaster Schneider Urges Use of Air Mail

Urging Highland Park users of air mail to make certain that all mail marked for dispatch by airplane reaches the local postoffice before the designated closing times, Postmaster Schneider today described how this city can take advantage of air mail service as effectively as though located directly on an air mail line.

"By having air mail in the post-office in accordance with the schedule below, the mail will be dispatched by train to the nearest air mail terminal where it will connect with the extensive system which covers the United States," said the Postmaster. "This means that air mail from this city will be delivered anywhere in the United States and will often save from one to three days in time." The closing hour for air mail at the local postoffice is 5 p.m. for the night flights and 5 p.m. for the day flights.

Postmaster Schneider stated today that patrons using air mail from this city will usually find the greatest saving by getting their mail to the postoffice in time to connect with the night flights as this means overnight

dispatch to most of the important sections in the United States. "Because of the new low rate of 5c for the first ounce and 10c for each additional ounce, the amount of air mail from this city has shown considerable increase and it is therefore, important for mailers to have their air mail at the postoffice before the closing time indicated above in order that the maximum benefit from the service will be derived."

Orchestra Enjoys Annual Banquet

The orchestra of the Bungalow church enjoyed their annual banquet at the church on Monday evening.

Mrs. Johnson, Mrs. Keller and Mrs. Arno Frantz served.

At the business session, which followed the dinner, Mr. Arno Keller was re-elected president; Mr. George Beckman, vice president; Miss Gertrude Johnson, secretary; Mr. Harold Giss, treasurer and Mr. Leslie Christiansen, librarian.

There are 25 members of the orchestra and they will make their first appearance of the season at the Rally day program on Sunday morning October 5.
