

RAVINIA P. T. A. TO HAVE NOTED SPEAKER

Dr. Williams, Eminent Socialist, Speaks at Evening Session, October 15

The Ravinia and Braeside Parent-Teacher association meeting to be held at the Ravinia Village house, Wednesday evening, October 15, will be addressed by Dr. Herbert Daniel Williams, technical adviser and regional director of the Big Brother and Big Sister Federation of Chicago. His topic will be "What the Child Has a Right to Expect from His Parents."

Dr. Williams is professor of social, advanced, general and applied psychology at Northwestern university. He has a vast experience and a brilliant record, and the Ravinia-Braeside P. T. A. is inviting all parents interested to hear him Wednesday evening, October 15, at 8 o'clock.

The Big Brother and Big Sister

Federation, Inc., has for its purpose the promotion, nationally and internationally, of the welfare of children through the personal service of the individual adult volunteer worker for the individual child; the encouraging and guiding of the development and growth of new Big Brother or Big Sister Organizations in the various communities throughout the United States, Canada and elsewhere, and the giving of expert information and study courses for field workers and volunteers.

Dr. Williams' Career

Herbert Daniel Williams was born in Cherokee county Georgia, January 23, 1892. His undergraduate studies were pursued at the University of Georgia where he received his Bachelor of Arts degree in 1914. He received his Bachelor of Science in Education degree at the same university in 1915 and the Master of Arts degree in 1916. Further graduate work was carried on in Cornell university and the State University of Iowa. He received the degree of
