Next Sunday is our annual "Rally day" in all our church work, Sunday school, church service and Epworth league. There will be special exercises in the Sunday school and all classes are expected to have a full attendance with old and new members.

The morning church service will be one of a special nature, with special music and a sermon appropriate to the day by the pastor. There will be a pleasing souvenir of the day for all who attend the morning service.

At 6:45 p.m. the Epworth league will hold its Rally and they are hoping for a big crowd of young people. The league is entering upon a new

year of work and will install their new officers and start off their fall and winter program with a great boost from this meeting.

Quite a number of our people were at conference and all of them were greatly interested in the splendid plant in which the Wilmette church is now working. The church there is the most beautiful of any denomination on the north shore this side of Evanston and is justly already spoken of as "Methodism's Cathedral," the structure being of cathedral proportions and style. The conference sessions were unusually interesting, Bishop McDowell graced the sessions and services with his presiding and sermons. Bishop Hughes also was present and preached Sunday night to a great audience which crowded the vast church. It is a pity that more of our people could not have attended these great meetings on Sunday.
