

Are You Protected Against the Carelessness of Others

You may be the most careful of drivers, but your carefulness cannot protect you against the carelessness of others.

You cannot ward off accidents occurring through the fault of others, but you can make certain that if an accident does occur, you will not suffer a financial loss. The prudent motorist knows that any motor vehicle that is worth protecting against the hazards of fire and theft is worth protecting against the hazards of collision.

Collision insurance protects you from loss arising from damage done to your car. Full collision insurance pays the entire cost of repairs made necessary because of collision with a moving or stationary object. Deductible insurance pays part of the cost. On a \$50 deductible policy, for example, you would pay on each accident, for all damage up to that amount, and the insurance company pays or damage in excess of \$50. This means that on an \$800 loss you would benefit to the extent of \$750.

You get a quick and satisfactory settlement when you place your automobile insurance with the Inter-Insurance Exchange of the Chicago Motor Club. No red tape; no waiting for the decision of a distant "higher up."

Speedy claims service, together with many other features of the policy issued for the protection of members of the club, explain why insurance sales in 1929 amounted to \$3,894,706.04.

As a subscriber you share in the cash savings plan. Last year the "exchange" returned \$711,332.11 in cash to subscribers.

A few of the services available to members are:

Free mechanical first aid and towing service at any hour of the day or night.

Travel service which provides you with maps, logs and the most complete and up to the minute advice on road conditions.

Courage at Alcyon Next Monday-Tuesday

Though mother-plays have been many, but a few linger in the mind. "Stella Dallas" and "Mother Macree" are two of the unforgettable ones and in both of these Belle Bennett portrayed the mother. She is the mother in "Courage," the Warner Bros. and Vitaphone picture which comes to the Alcyon theatre Monday next.

A spendthrift, happy-go-lucky, humorous, tender battling mother, is Miss Bennett's Mary Colbrook — a woman as she fights for her seven, wins the laughter and tears of the audience—mostly the laughter, for the mother in "Courage," is not of the weepy type.

Tom Barry's stage play, of which "Courage" is a talking picture version, had a long Broadway run and a successful road run. It is so absolutely different—so heart-warming—so valiant—that its appeal is to everybody.

Marian Nixon plays the eldest of the seven children, and Rex Bell the part of the young Harvard student who is her suitor. The other youngsters are played refreshingly by Carter de Haven, Jr., Dorothy Ward, Charlotte Henry, Don Marion, Byron Sage and Leon Janney. The latter as the eleven-year-old standby-of-mother, shows brilliant interpretative ability. Others in the cast are Blanche Frederick and Richard Tucker. Archie Mayo has directed the production with fine insight. "Courage" is the picture you have been waiting for. At the Alcyon theatre Monday next. Remember the date.
