The Ma-Ka-Ja-Wan Chapter of the Order of the Arrow held a business meeting last Sunday afternoon at the Deerfield-Shields high school to lay plans for the After Camp Re-Union of the Scouts who attended Camp Ma-Ka-Ja-Wan this last summer. The Arrow will have complete charge of the program and of the recruiting of the attendance for this meeting.

After the business session of the meeting they adjourned to the home of General Robert E. Wood on East Central avenue, Highland Park, where they made a presentation to the general of a canoe paddle which the scouts had made last season and inscribed with the various camp emblems. They also conferred upon him honorary membership in their order in recognition of the part he had played in developing scouting in its earlier days on the North Shore and for the large part he has taken in establishing Camp Ma-Ka-Ja-Wan. The General is the honorary president of the North Shore Area Council.
