

H. S. GRID TEAM TIES OAK PARK

Score 6 to 6 at End of Strenuous Battle on Saturday; Proviso Next

The fighting Deerfield-Shields eleven came from behind in the fourth quarter to tie the much vaunted Oak Park high school grid machine 6 to 6 in a hard fought battle at the local's field last Saturday.

Deerfield Inspired Team

It was an inspired eleven that took the field against the strong Villagers team, an outfit that refused to accept a defeat. Led by Captain Lester the locals' forward wall out charged and outfought their powerful opponents and the Blue and White backfield with Bartlett carrying the ball was easily the equal of that of the visitors.

Close to Goal

After several exchanges of punts in the first quarter, with Graham having a slight edge over Worthington, Oak Park, taking advantage of a fumble, started a march which took them to the Deerfield 1-foot line as the quarter ended. On the first play Graham plunged over the goal only to find his effort wasted when his teammates were offside. With the pleas of the Deerfield rooters to hold the line filling the air, the line held and Deerfield took the ball on the 20-

yard line as an Oak Park pass was incomplete over the goal line.

Punting Duel

The remainder of the second quarter was again a kicker's duel. As half time drew near another fumble was made by the Blue and White backfield on their own 20-yard line. Oak Park drove through on two plays for a first down on the locals' 8-yard line. One more play failed to gain and the whistle blew ending (Continued on page 22)

Andrew J. Smith, a resident of Highwood and vicinity for thirty years, died at his home, 320 Prairie avenue, on Sunday morning, after prolonged illness. He was born Jan. 18, 1857, in Northfield. His wife has been dead about two years and there are several children surviving. The funeral service was held at 2 o'clock Tuesday afternoon, at the Evangelical Congregational church, corner of Green Bay road and Laurel avenue, Highland Park, and there a large number of friends gathered to attend the last rites, evidencing the regard in which Mr. Smith was held in the community. Burial was in Mooney cemetery.

Mr. and Mrs. Edward F. Eden of Chicago were the week end guests of Mr. and Mrs. C. G. Rosenow of 149 S. Green Bay Rd.

P. J. Duffy of Deerfield Is Candidate for County Treasurer on Dem. Ticket

Peter J. Duffy of Deerfield, well known resident of Lake county, of which his grandfather was a pioneer settler, and whose parents were resi-

dents of Deerfield and vicinity for more than 80 years, is candidate on the Democratic ticket for treasurer of Lake county and is seeking the votes of his friends at the election on November 4th.

Mr. Duffy, in speaking of his candidacy, stated yesterday that he is not seeking the office for the purpose of ousting the present incumbent, whom he believes to be a man of sterling character and well qualified, but it is Mr. Duffy's idea, and one in which many Democrats of the county join, he says, that the county offices have been in the hands of one party and one set of that party's representatives too long. "Twenty-five or thirty years is too long for one faction to be in power in any county," said Mr. Duffy. "It is only fair to the people that there should be a change once in a while, no matter how good such officers are. We have had county treasurers whose records have been shown to be somewhat questionable in certain respects, and perhaps if this and other county offices were turned over to a new set of men, there might be great improvement in many ways."

Mr. Duffy has been a resident of Deerfield for fifty-six years. He held the offices of school trustee for several years, has been village clerk and is justice of the peace for the last six years. In all of these he has given his best efforts for efficiency in the interests of his constituents. He seeks the office of county treasurer because he thinks it is time for a change and because he believes he can give the people of Lake county a good administration of that office. He has a host of friends throughout the county who are supporting his candidacy with enthusiasm, they report.

HIGHWOOD DEFEATS DEERFIELD 22 TO 0

Old Rivals Meet in Strenuous Battle Last Sunday; Play Evanston Next

The fast Highwood football team will meet foemen worthy of their steel next Sunday on the Highwood field, when the strong Evanston team comes for a showdown with the locals. The game will be called at 2:15, and a big crowd is expected, as this promises to be one of the best games of the season at Highwood.

Defeat Deerfield

Last Sunday the Highwood team defeated their old rivals, the Deerfield gridders, 22 to 0, in a game featured by brilliant punting, and passing and clever maneuvering. The result was never in doubt, and the Highwood players with heavier weight were opposed by the traditional stubborn defense for which the Deerfield team is noted, and the victory was not easy by any means, as Deerfield fought ever inch of the way.

Features were Lindenmeyer's punting, Rogan's pass to Cronkhite for a touchdown, and Rogan's end run for (Continued on page 50)

Pink Coats Thrill Many Spectators

One of Ludovici's famous English prints became a reality when members of the Long Meadow Hunt club rode to the hounds through the countryside of Highland Park on Monday morning.

Automobiles filled with fascinated spectators trailed the hunters along the course from the club grounds in Winnetka to "Martindale," the country estate of Martin Insull, where a long check was called. The chase was resumed by circling and returning over the western course to the Hunt club.

Eagerly following the scent came the hounds, closely followed by Col. A. E. Peirce, master of the hounds, riding his favorite Irish hunter, John Knott, huntsman and first whip, and Thomas Brasnahan, second whip, rode close behind. Mr. Ernest Hicks, field master, rode hard after, leading Mrs. Gross Thomas, Mr. and Mrs. Donald MacPherson, Donald MacPherson Jr., Mr. and Mrs. Francis Peabody Butler, Mr. and Mrs. Ernest Ballard, Mr. and Mrs. Frank Ketcham, Judge Goodwin of the Onwentsia Hunt club, Mr. Thomas McKernan, Mr. John Hartnett, Mr. Arthur Cox, Mr. Howard Fenton, Mr. Henry Gardner and Mr. Peirce Ward.

Although the course lay eighteen miles across fields, through woods and streams, and over different jumps the ladies proved their superb horsemanship by running the course as hard and as fearlessly as the men.

Mrs. William Rectenwald of So. Ridge Rd., entertained the Ladies Aid society of the Redeemer Lutheran church last Thursday afternoon. After a business meeting delicious refreshments were served.

Mr. and Mrs. Franklin Le Pelley of So. Sheridan Rd., are leaving Saturday by motor for Venice and Miami, Fla. They expect to be gone about three weeks.
