"Rally day" services at Sunday school, church and Epworth league were well attended and full of interest. A feature of the exercises in the Church school was the presentation to Wm. E. Bletsch, retiring superintendent after 16 years of most devoted service, of a beautiful electric mantel clock as a testimonial of the love and esteem in which he is held by all our members and friends. The presentation was made by the pastor and Mr. Bletsch replied in an interesting manner, telling of his early experiences as the son of a minister

and his connection with our Sunday school work. Under his supervision our school has tripled in size and is doing splendid work, condition which will doubtless continue under his experienced success, Wm. H. Holgate.

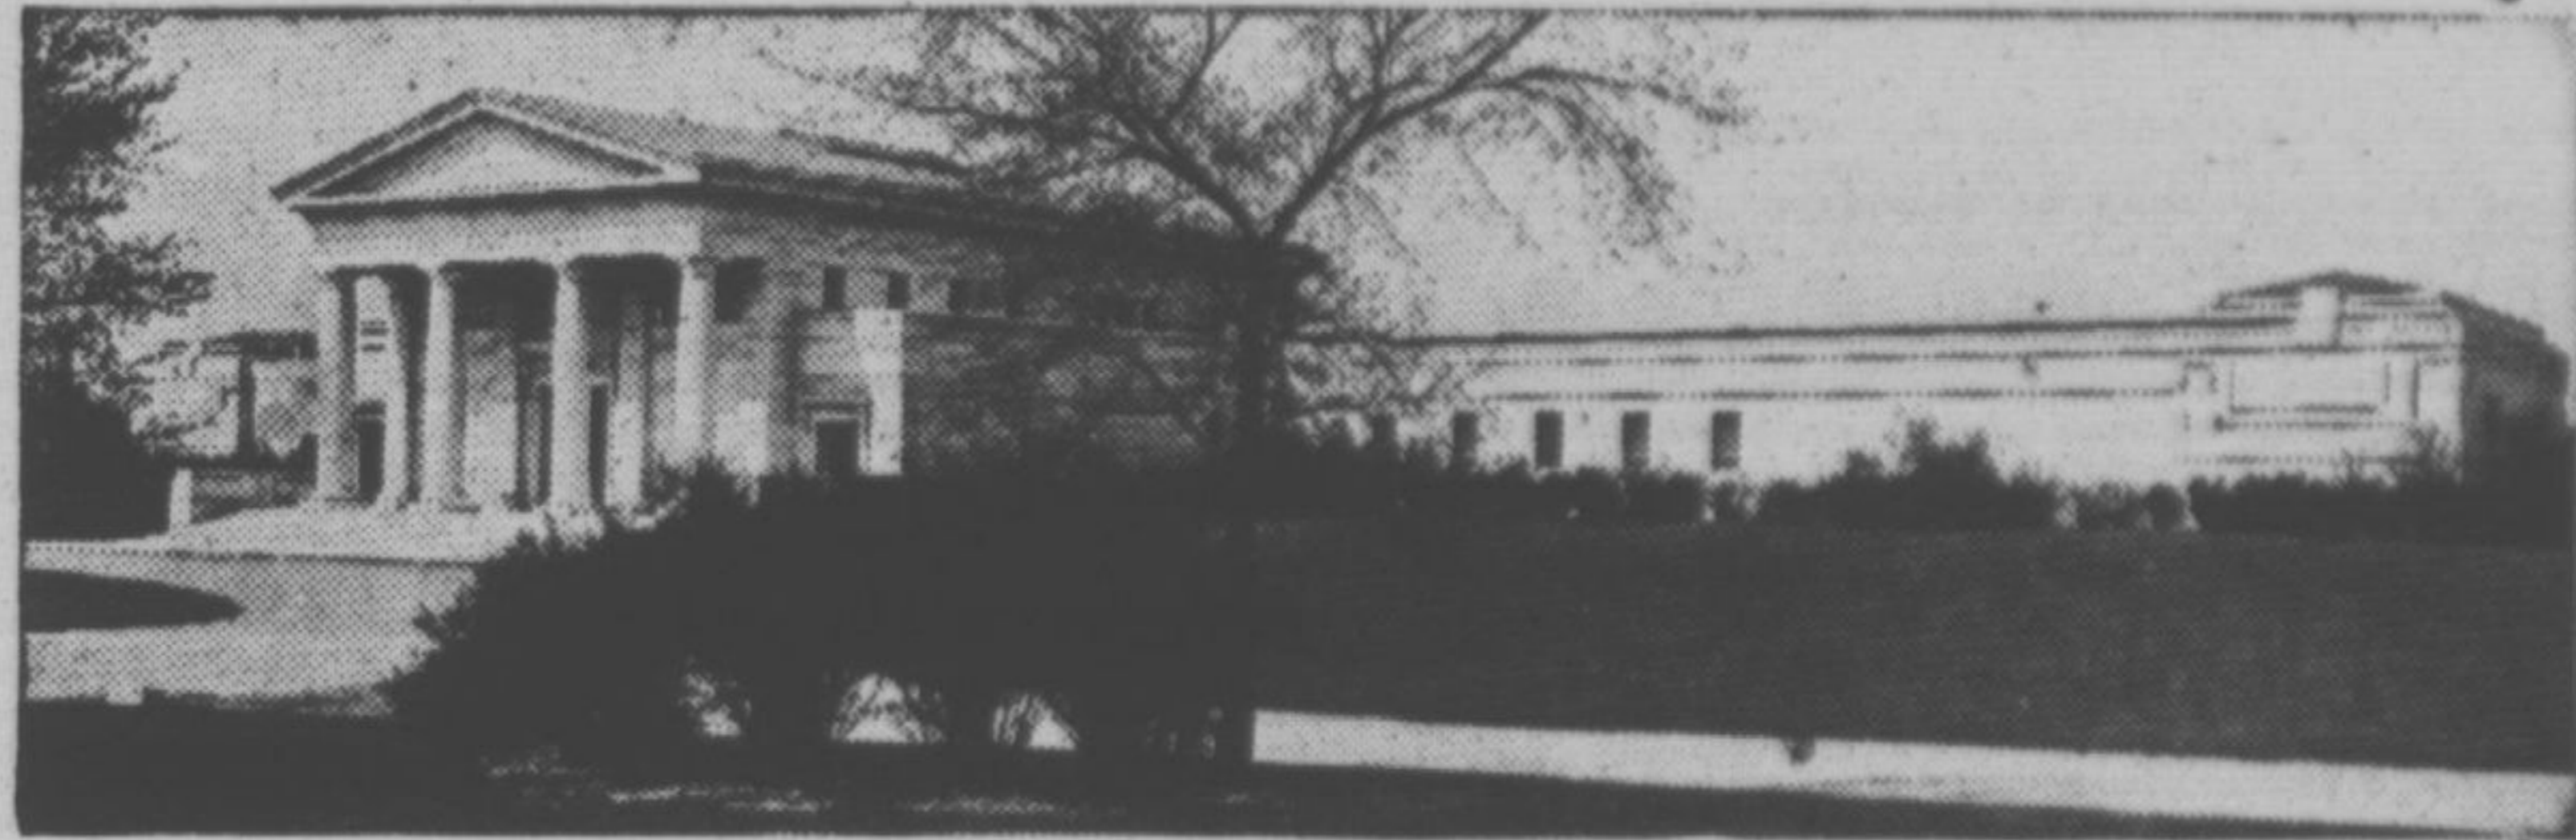

A familiar parable which has been much preached upon, is that of the "Prodigal Son," — one of the most beautifully told stories in all literature. It might be thought there is nothing new to be said upon it, but new and modern conditions of life have brought new interpretations. The pastor believes he has something new to say about its relations to some present day problems. "Are we really advancing or are we returning to certain primeval conditions in our modern life? Are the Flaming Youth of today finding greater liberty or are they throwing away that which they had? Are they discovering anything in the way of liberty of thought, life and ideals which was not discovered by their ancestors long ago? Just what is "Self-expression"? What do you mean by "I must live my own life?" Was the prodigal's father a good example for parents of today? Do we need classes for prospective parents among our young folks today?" These and other questions will be touched upon. This series on the application of the parables of

Jesus to the life of today is by means simply threshed-over-straw but will prove interesting and suggestive to any one desiring to think straight on these lines.

The Ladies' Aid holds its first monthly meeting of the new church year this week Friday, at 2 p.m., with Mrs. Paul Downing, on Waukegan avenue. All members and women of the congregation are cordially welcome.

The newly elected officers of the Epworth league will be installed in office next Sunday evening at the regular meeting of the league, at 6:45 o'clock. There was a fine attendance last Sunday evening.

"The real test of your Christian character is not altogether what you believe, but what are you doing about it? To say, "I will," to the usual ritual questions regarding baptism, church membership, etc., is done so thoughtlessly by many as to simply mark the vow as hypocrisy. Like much of our hymn singing,—we utter the most profound truths, lift our voices in the most sacred vows, the most sweeping words of sacrifice and devotion and mean by it absolutely nothing. The music deadens our spiritual senses like an opiate, so that we utterly fail to realize the hypocrisy of our vocalizing."
