

CANDIDATES SPEAK AT LEAGUE SESSION

**Tell Qualifications for Office at
Non-Partisan Meet Here;
Those Attending**

A most attentive audience at Elm Place school Monday evening heard fifteen candidates for election Nov. 4th, tell why they felt themselves qualified to hold office.

The Highland Park League of Women Voters, which had sponsored the meeting, considers that part of the indifference concerning the vote is caused by lack of information. On Monday night, every voter in Highland Park and outlying districts who cared to avail himself of the opportunity, was able to get a close up of the people who are asking for support at the polls.

Non-Partisan Meeting

The meeting was absolutely non-partisan and both parties were represented. Each candidate was limited to five minutes, and in no case was the time over-stepped. All gave a dignified, straightforward account of themselves, and became real personalities instead of mere names on a ballot. The league had provided a brief outline of points to be covered. (Continued on page 37)

Moose Minstrel Show Next Monday Evening

The members of Highland Park Lodge, No. 446, Loyal Order of Moose, and their friends are again reminded of the Moose Minstrel show which will be given next Monday evening, Oct. 27 at the Witten hall, East Central avenue, beginning sharply at 8:30 p. m.

The cast has been busy rehearsing for the past month in order that this entertainment may be the best ever put on by the local lodge. In addition to the regular show a program has been arranged consisting of some very good vocal and instrumental music.

There will be dancing after the show for which some very good music has been provided. There will be no admission charge and all are asked to come and be the guest of the lodge and enjoy an evening of fun with a real live organization whose object is to more fully acquaint all with the work they are carrying on at Mooseheart and the old folks home in Florida.

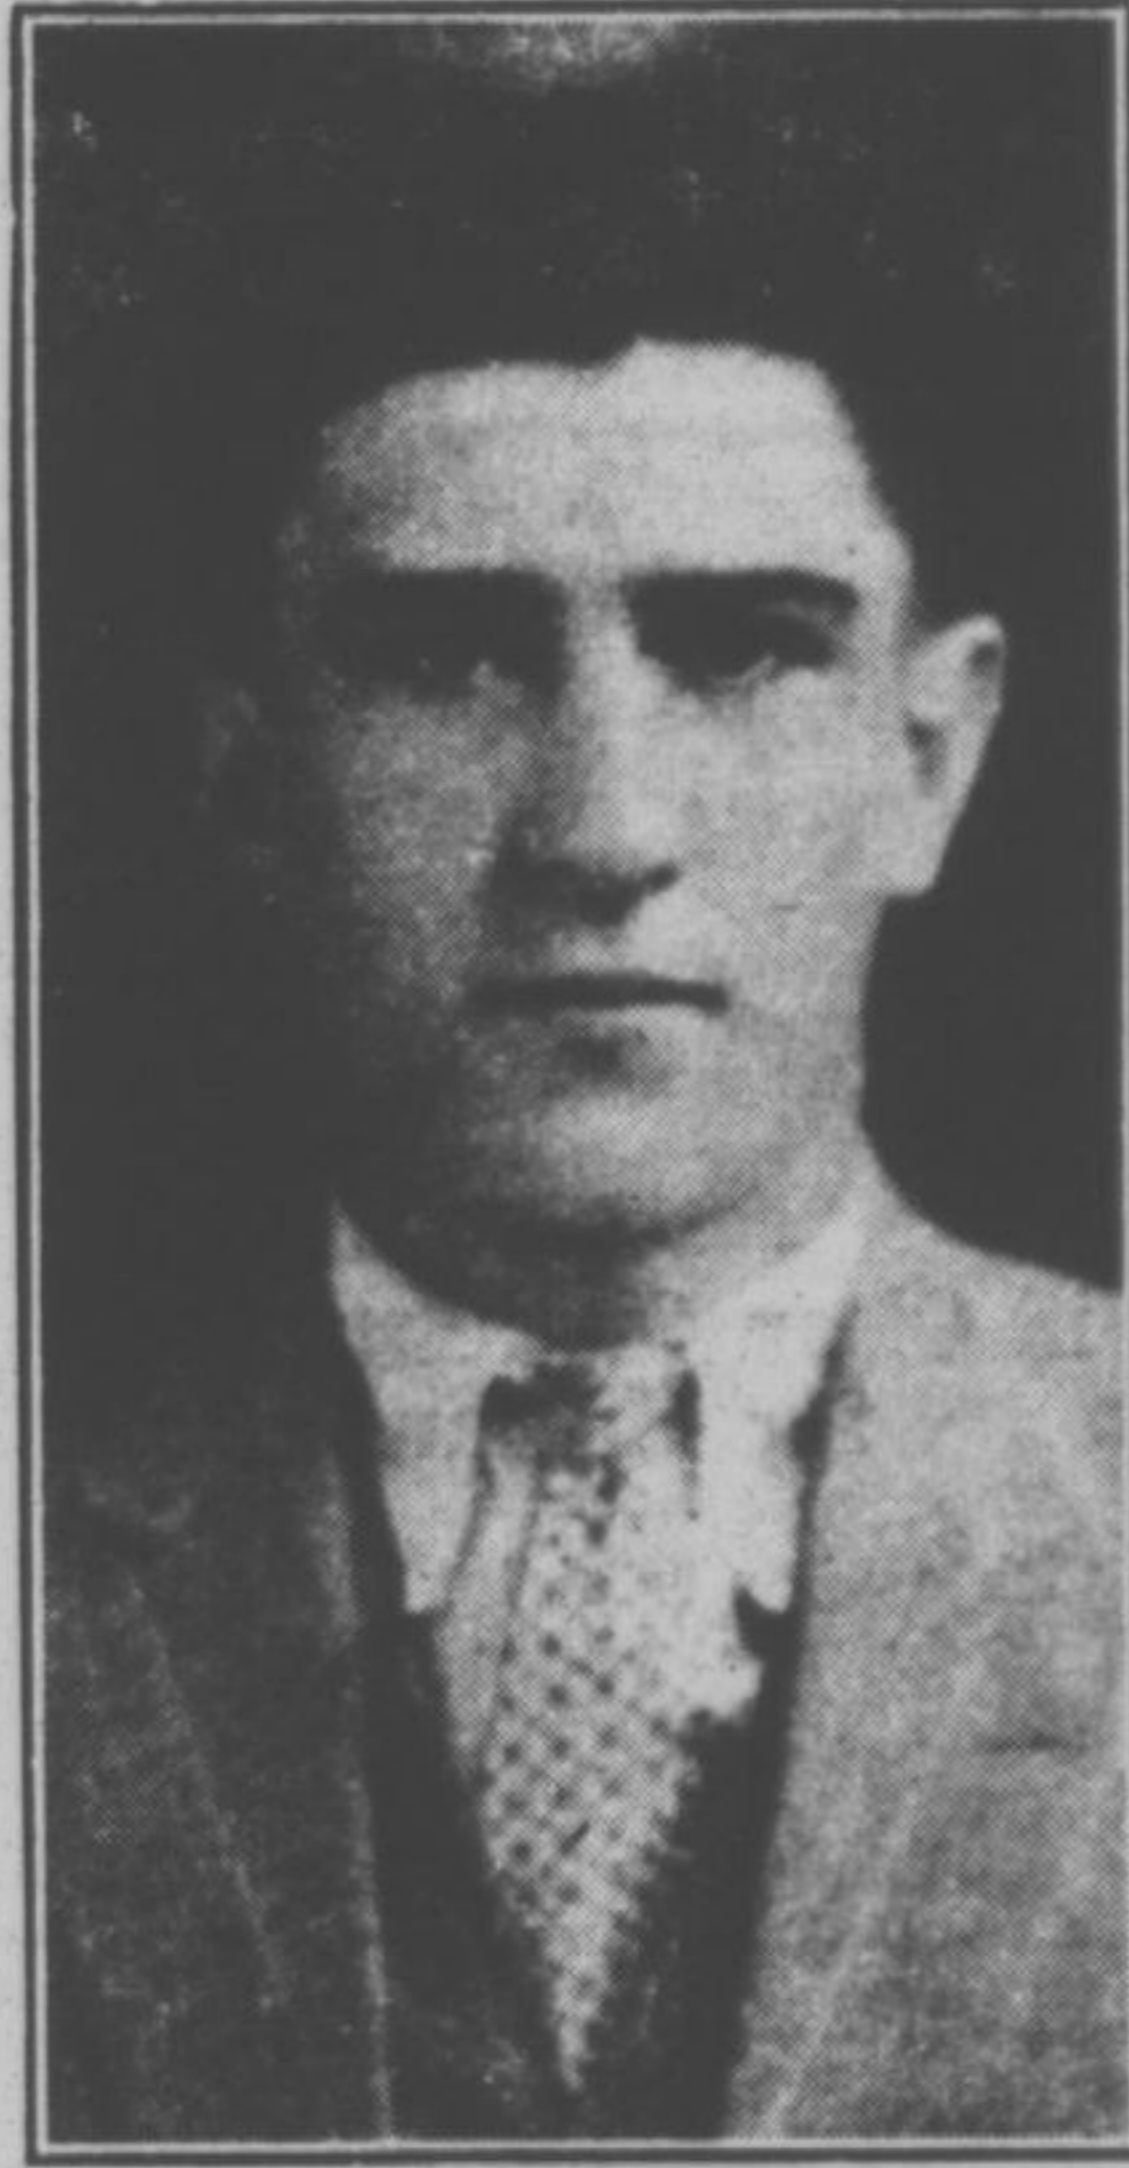

The main object is to see that every boy and girl is given a fair chance in life that when they become of age they may be a credit not only to themselves but also to the community in which they live.

Don't forget next Monday evening, as it is felt certain that your time will be well spent. Don't forget the place and date, October 27th at the Witten hall, East Central avenue.

W. J. Miller Takes Over Poultry Business

W. J. Miller of Bannockburn has purchased the butter, egg and poultry business of the late George Tucker. The Bannockburn Poultry Farm is the name under which the business will be conducted. The office is located on Telegraph road.

Saves Boy's Life

Richard O'Connor, graduate student coach at Deerfield-Shields high school who on September 25 saved the life of a freshman who, unable to swim, had slipped into the pool in the natatorium, striking his head as he went down.

Lecture by Dr. Slutz on New Fashioned Home Is Greatly Appreciated

The members of the Highland Park Woman's club who heard Dr. Frank D. Slutz's rarely beautiful and spiritual talk on "The New Fashioned Home" felt that they had a new rule by which to live.

He treated home life in America from a scientific attitude. This life gradually developed from nomadic homes through the stages of the partnership home, home supported by the husband, to the present day home of economic partnership where both parents are employed.

The home for which there is no substitute should be guided by six principles if this institution is to result in happiness. They are financial partnership, complete scientific knowledge of sex and marriage, the constant renewal of love by increased chivalry and gallantry, the widening of areas of comradeship, independence controlled by loyalty, and the intensifying of child life in the home.

Both husband and wife must work to cultivate latent powers in the other. The home must be a temple of religion and spirituality. It must progress to higher things and have a quality of permanence brought about by comradeship with the creator of this universe.

Dr. L. L. Mann Speaks at Meeting Friday

Dr. Louis L. Mann will speak on "Will Science Destroy Religion?" at North Shore Congregation Israel, Lincoln and Vernon avenue, Glencoe, Friday evening, Oct. 24, at 8:15 o'clock.

All are welcomed.

WOMEN VOTERS HEAR TALKS BY OFFICIALS

**Mayor Lewis and Pres. Millard
of Park Board Discuss
Municipal Affairs**

The Highland Park League of Women Voters met on Wednesday, Oct. 15th, at the Y.W.C.A. There was a splendid attendance, due to the intense interest felt in the local program. Mrs. Hopkins in introducing the two speakers, told of the debt of gratitude the league owed Mayor Lewis and Mr. Millard for their willingness to give so generously of their time and knowledge.

Mr. Everett Millard, president of the Highland Park park board, discussed that body and its methods. He mentioned the fact that most public officials encounter more or less opposition, but that intelligent criticism is always welcomed. A sincere effort is being made to raise Highland Park out of the small town class. Although certain big cities are not run in the ideal way, this corruption has not appeared in Lake county, and Mr. Millard spoke most highly of the present type of public servant in this county.

The fact was brought out that the park board is a legal municipal corporation (separated from the city of Highland Park) with its own government and its own taxing power. It has always worked hand in hand with the city, although its boundaries are not quite the same.

Reviews Park History

Highland Park was laid out in 1873 by a Mr. William M. R. French. This was fortunately done with an eye to beauty as well as convenience. The winding roads were made to conform (Continued on page 37)

Oct. 28 Is Last Day of Registration in County

Oct. 28 is the last day for registration of voters in Lake county and everybody should make sure that his or her name is on the poll books. Election officials will be at the various polling places during the day and evening for the convenience of voters. Anyone who has moved from one precinct to another since the last township or state election should go to the polling place and make sure that his or her name is registered. Those who have not moved are in all probability registered through the process of copying names in the poll books in preparation for the election Nov. 4.

Friendship Garden Party Held Monday

A "Friendship Garden" party was the happy occasion last Monday, when fifteen friends gathered at the home of Mrs. A. Brush, bringing bulbs and plants.

A delightful luncheon was served after which a program, fitting the occasion, was rendered.

Mrs. Baldrige acted as soloist. Mrs. Coats, Mrs. Fatgenhorst, Mrs. Hosander, Mrs. Dobbins, and Mrs. Beach read selected poems. Mrs. Brush read two original poems. Each guest then planted her own token of friendship.
