

INTO A DITCH

"My wheels struck a culvert, and I crashed into the ditch. Of course, I thought my insurance covered me, but I found out that the insurance company did not consider sliding into a ditch a collision, and, as a matter of fact, that the policy expressly excluded such accidents."

A complaint such as this will never be uttered by the member of the Chicago Motor Club who has placed his insurance with the Inter-Insurance Exchange. The policy issued by the "exchange" considers sliding into a ditch a collision and the claims department handles it as such.

Another feature of the policy issued by the "exchange" is that it is the valued form which, in the event of total loss, pays the face value of the policy.
