

## HIGH SCHOOL ELEVEN TIES PROVISO TEAM

### Deerfield Seniors in Scoreless Battle Saturday; Fresh-Soph Team Loses, 6-2

With both teams displaying a strong defense and a weak offense Deerfield-Shields and Proviso battled to a scoreless tie in a league game at the local field last Saturday. In the curtain raiser Proviso's Freshmen-Sophomore team defeated that of Deerfield in a close battle 6 to 2.

Deerfield's attack was far below the form it showed last week against the strong Oak Park eleven and while it was a fighting Blue and White line that smeared the Proviso plays they eased up on offense and allowed the Proviso linemen to throw their backs usually without gain. Benvenuti, Deerfield's giant tackle suffered a shoulder injury in the first half and was taken to the hospital. Early in the third quarter Jantz who had replaced Benvenuti at tackle received an injury to his leg which necessitated his removal to the hospital. It is this brotherly spirit which should take Deerfield far.

Both teams had opportunities to score but in each instance the defensive eleven succeeded in repulsing their opponents' attack. A strong, cold wind from the north, which was a factor in keeping the attendance down, had both teams putting when they defended the north goal. "Jimmy" Berube, who replaced Dougherty at half, outkicked his Proviso rivals both with and against the wind and was a strong factor in keeping them well away from the local's goal.

#### Play Morton Next

Next Saturday Deerfield travels to Cicero to play Morton high school in a league game. Morton has suffered defeats at the hands of the powerful Evanston and New Trier elevens and is determined to get a mark in the win column. Deerfield with two ties is also looking for a victory and all things point to a close battle.

## Start Organization of Lake Co. Labor Group

Elimination of Chicago and Cook county influence from local labor circles, a source of dissention on the part of certain elements in labor circles of Lake county for many years, is seen as a possibility following the organization in Waukegan of a Lake county federation of labor, which will be comprised largely of members of building trades.

A group of members of building trades union headed by A. S. Christensen, have formed the organization and have obtained a state charter.

## Numerous Burglaries in the Lake District

More than \$1,000 worth of furniture has been stolen from cottages and inns in the Fox Lake and Deep Lake districts by furniture thieves who have been breaking into the summer resort places locked up for the winter. Constable Jos. D. Riggs and Deputy Sheriff Edward Schramm reported last week.

Six burglaries were reported to Constable Riggs by cottage owners in the Fox Lake section. These places were occupied by wealthy Chicagoans during the summer and were closed in September. Expensive radios and bric-a-brac had been taken by the prowlers from the cottages.
